

**PRESENTATION BY ELIOT BUDGET COMMITTEE
"TIF'S IN MAINE"**

The Eliot Budget Committee is sponsoring a presentation by Maine Revenue Services. The subject will be "TIF's in Maine."

The presentation will be a neutral discussion surrounding local tax implications for all Eliot taxpayers when the town realizes a large increase in taxable valuation due to any commercial/industrial project. The speaker will be depicting tax implications with and without a locally approved TIF and the resulting effect on the individual taxpayer.

This will be an unbiased presentation that will provide helpful facts regarding the current debate on funding for the proposed sewer project.

The presentation by Maine Revenue Services will take place on Tuesday, October 16, 2012, at 6:00 pm at the Regatta Conference Center at Eliot Commons.
