

IMPORTANT NOTICE TO BOAT OWNERS

The 2016 Boating Season is just around the corner!

All boat owners who have boats registered in a state other than the State of Maine, as well as owners of documented boats are subject to pay a State of Maine Excise Tax to the Excise Tax Collector of the Town that the boat is moored, docked or located or has its established base of operation as described in Title 36 MRS Ch. 112 § 1503.

Excise Tax is due to the Town of Eliot on any watercraft moored in a marina, boat yard or on rental moorings/dock space located within the Town and it is to be paid within 10 days of the first operation of the watercraft upon the waters, or prior to July 1st, whichever comes first. If you will not be mooring your boat in Eliot this year please give us a call to let us know so that we may update our data.

Please note that proof of excise tax payment on your boat *is required* when renewing your mooring permit with the Eliot Harbor Master.

Have a safe and enjoyable boating season!

Sincerely,

**Wendy Rawski,
Excise Tax Collector**
