

EEC Meeting Minutes September 12, 2012

Present: Charlie Case, Ed Henningsen, Ben Brickett

Guests: Monique Lillis (Marshwood Intern), Mark Pechenik (Portsmouth Herald)

Call to order: 4:30 PM

A. Approval of February through August minutes postponed due to lack of a quorum

B. Solar Proposal for Public Works Buildings – Ben reported that we are still waiting for a second bid from Seacoast Energy, but expect to receive it soon. Information received so far from both ReVision Energy and Seacoast Energy will enable us to brief the BOS tomorrow on our proposed Solar Power Purchase Agreement. A second BOS presentation will be scheduled after we receive the final second bid. Mark Pechenik attended the meeting to gather data for an article he plans to write for the Portsmouth Herald. Monique provided up to date electricity usage data.

C. Audit Findings for Town Garage and Transfer Station and Recommended Energy Improvements – Ed requested that we postpone this discussion until the October meeting.

D. Festival Day Booth – Monique verified that she will be able to staff the EEC booth for Festival Day on September 29th and has two interested students ready to help her. We reviewed materials for the EEC booth and Ben agreed to bring his wind turbine. Charlie will provide Energy Savers booklets.
