There was no public comment (there was no public).

Meeting opened 4:30 PM. Minutes of meeting of November 13, 2014 were read and accepted with nominal correction .

The meeting of December 4, 2014 could not be held due to lack of a quorum so there were no minutes.

Dana provided us a legal-sized chart of responsibilities, which chart needs a bit more work- which Dana will do.

Those town committees which have not replied yet to the Comp Plan Review Committee's query will need to be reminded.

We were provided copies of pages 221-225, inclusive, of the Comp Plan.

We were provided with a response from the Energy Committee to our request for a status report from committees on their respective efforts in pursuit of Comp Plan objectives. This excellent report from the Energy Committee is the only formal response we have received although we have received a verbal response from the Chair of the Planning Board on their continuing efforts.

We were provided with a copy of the Goals and Strategies from Dana on responsibilities of our own committee, the Planning Board, The BOS & Town Manager, The Harbormaster and the Assessor.

Next meeting will be February 5, at 4:15PM.

Adjournment 5:15PM.

Approved 3-5-15
