Members Absent: Noah Lemire – Chair

Others: Jack Murphy - BOS Liaison

In light of Noah's work schedule Vickie Mills was voted as interim vice-chair with a vote of 3-1. Committee requested Steve contact Noah regarding his future availability.

Russ brought up the RTE 236 lot size in regards to the comp plan recommendation to change the three acre zone to a one acre zone. Steve will check to see if such a change conflicts with restrictions of the TIF district.

There was agreement that action needs to be taken to recruit new members to this committee.

NEXT MEETING: Approve meeting minutes, discuss how committee can provide assistance to the BOS regarding getting information out about the Town Manager position. Follow up regarding 236/TIF lot sizes.
