Sewer Committee September 2, 2015

Present: Mike Dupuis, Grant Hirst, Nancy Shapleigh, Jack McDonough, Richard Dionne

Absent: Steve Beckert, Rich Russell

Others: Bob Pomerleau, Jack Murphy, Joel Moulton, Steve Sanborn

Meeting opened 4:17PM, camera activated.

Minutes read and approved with minor corrections and copy left for Wendy. *ba*

A request from Steve Sanborn to increase his allocation from 2000 gpd (expired 8-15-15) to 5000 gpd was heard. The Committee recommended unanimously that the Selectmen *by* asked to approve the increase. There is sufficient capacity available. Joel will check with Kate to see when/if we need to charge Steve Sanborn for his original 2000 gpd allocation (and the new allocation to 5000 *gpm* if approved by the Selectmen). *gpd*

Items 1 through 3 of the draft warrant provided by Dana were reviewed and discussed.

Nothing further has been heard from the Randolph's original request for new capacity and so no action was taken.

Next meeting September 16 at 4:15 PM.

Meeting adjourned 5:07 PM.
