

Sewer Committee meeting of November 4, 2015

Attending: Mike Dupuis, Grant Hirst, Steve Beckert, Nancy Shapleigh, Jack McDonough

Absent: Dick Dionne (excused-medical), Rich Russell

Others: Joel Moulton, Jack Murphy, Janet Sauerman, Bob Pomerleau

Meeting opened 4:15 PM. Minutes of meeting of September 6, 2015 read and approved unanimously.

The meeting scheduled for October 21<sup>st</sup> was not held due to lack of a quorum. Attending on October 21<sup>st</sup> were Mike Dupuis, Grant Hirst, Dick Dionne. The scheduled Sewer Committee workshop of October 7<sup>th</sup> for the Blueberry Lane people was cancelled at their request.

Mike Dupuis announced that the Sewer Committee would suspend any further discussions on the Blueberry Lane question of sewer ownership.

The town has never approved any sewer on either Blueberry Lane or Greenwood. The Town has granted hook-ups to this privately-owned sewer to those who have requested them.

A sewer allocation request from Julianne Maloney Losee of 120 GPD for a single family dwelling at Map 6, Lot 42 was considered. There is capacity available. The Sewer Committee will make a recommendation to the Board of Selectmen that they grant that application.

Grant read aloud the numerous questions assembled by Dana from several people on the idea of a Sewer District. Joel agreed to contact John True to see if he could address the Committee on the attributes and method of starting a Sewer District. It was again pointed out that at least one advantage of having a sewer district would be the availability of certain federal funding/SRF funds which are not available to the Town under the present configuration.

There was discussion of the results of the voting yesterday and the failure of the sewer bond. Bob Pomerleau advised that securing a bond was the only answer to funding the needed repairs/upgrades.

Janet Sauerman suggested that a history of the sewer system be put together- from its inception in 1983 to present- so we could have a timeline, Joel agrees it's a good idea and he will work with Dana to put together such a history.

Next meeting November 18<sup>th</sup>. Meeting adjourned 5:09 PM.

Grant Hirst
