ELIZABETH C. LIBBEY POST CANE HOLDER FROM
2009-2014- 106 YEARS OLD

It is with a heavy heart that we announce the passing of Eliot's Boston Post Cane Honoree, Elizabeth C. "Betty" Libbey.

Elizabeth who was known to many in Eliot as "Betty" died on June 4, 2014 at 106 years of age. Born on August 16, 1907, Betty was 101 years of age when she was honored as the eldest citizen of Eliot in June of 2009. When she was informed of her award, she said she felt the secret to her longevity was walking and good genetics. She always had a sparkle in her eye and a smile for everyone she met.

We will miss Betty and her wonderful smile.

GOVERNOR

March 30, 2015

Town of Eliot
1333 State Rd
Eliot, ME 03903

Dear Citizens of Eliot,

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Not only does an income tax cut put more money back in your pockets, but it will attract businesses that can offer good paying careers to keep our young people here in Maine. Further, this tax cut maximizes one of our existing resources — tourism — and ensures the millions of visitors who come to Vacationland each year contribute their small part to our economy.

Simply put, this proposal results in an immediate pay raise for all of you hard-working Mainers. It creates stronger and even more vibrant communities as we show people that we are serious about wanting people and businesses to come — and stay — in Maine.

If we are to make Maine prosperous, we must also work hard to reduce our heating and energy costs. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to affordably and effectively heat and power their homes.

And finally, it is of utmost importance that we begin to address the growing drug problem in our state. Maine's people are its most precious commodity, and our safety is being threatened by the drugs that are entering our state each and every day. My goal is to face the problem head on by employing more drug agents, prosecutors and judges before the epidemic destroys our communities.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

A handwritten signature in cursive script that reads "Paul R. LePage".

Dear Friends:

In November, the people of Maine entrusted me to serve another term in the United States Senate. I am deeply honored to serve you and will continue to work to bridge the partisan divide and to forge bipartisan solutions to the many challenges our nation faces. With the New Year just beginning, I welcome this opportunity to reflect on some of my work from this past year and to highlight some of my priorities for the year ahead.

The biggest challenge facing our State remains the need for more jobs so that Mainers can stay in our great State to live, work, and raise their families. Since small businesses create the vast majority of jobs, we must help them to start up, grow, and succeed. We must update our tax code to encourage small business investment in equipment and other assets, cut the red tape that is hampering job creators, build the transportation and energy infrastructure to support an expanding economy. We must also foster opportunities for key industries, from agriculture to defense. We must ensure that our workers have the skills they need for the jobs of today and tomorrow. These initiatives will remain my top priorities in the new Congress.

I am pleased to report a number of successes from this past year, including provisions from my “Seven Point Plan for Maine Jobs.” My proposals to streamline job training programs and better match workers’ skills with employers’ needs were enacted as part of a workforce investment act. I helped secure promising manufacturing opportunities for our state—from requiring the military to buy American-made athletic footwear for new recruits, just as it does for other uniform items, to an additional Department of Energy investment in the deepwater, offshore wind power project being developed by the University of Maine, Maine Maritime Academy, and private companies. For Maine agriculture, I succeeded in including the fresh, white potato in a federal nutrition program from which it has been the only vegetable to be excluded.

Also last year, I was pleased to join in the christening of the *USS Zumwalt* at Bath Iron Works, a Navy ship for the 21st Century that will help protect our nation and strengthen one of Maine’s most vital industries. And, for Veterans living in rural areas, I secured a two-year extension of the successful Access Received Closer to Home program, which is improving access to health care for Veterans in northern Maine. Finally, after several years in the making, I am delighted that Congress has approved my legislation to form a commission – at no cost to taxpayers – on the creation of a National Women’s History Museum. A museum recognizing the contributions of American women is long overdue, and this bill is an important first step toward that goal.

In the new Congress, I will serve as Chairman of the Transportation Appropriations Subcommittee. This position will allow me to continue working to ensure investments are made in critical transportation infrastructure, which is essential for our safety and economic growth. To date, Maine has received more than \$90 million for highway, bridge, airport, rail, and port projects through the successful TIGER grant program.

I will also serve at the helm of the Senate Special Committee on Aging in the 114th Congress, a position I sought because Maine has the highest median age in the nation. Working to address pressing issues facing our seniors, from long-term care and retirement security to the vast potential of biomedical research, will be on our agenda. Preventing and effectively treating Alzheimer’s should be an urgent national priority as this devastating disease continues to take such a personal and economic toll on more than five million Americans and their families. The Committee will also continue to focus on the scams and frauds targeting our senior citizens and has a toll-free hotline (1-855-303-9470) where seniors and their loved ones can report suspected fraud.

A Maine value that always guides me is our unsurpassed work ethic. As 2014 ended, I continued my record of never missing a roll-call vote since my Senate service began in 1997; a tally that now stands at more than 5,700 consecutive votes.

I am grateful for the opportunity to serve the great State of Maine and the people of Eliot. If ever I can be of assistance to you, please contact my York Constituent Services Center at (207) 283-1101, or visit my website at www.collins.senate.gov.

Sincerely,

Susan M. Collins
United States Senator

CHELLIE PINGREE
CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. It is an honor to represent you in Congress and a pleasure to update you on the work I am doing in Maine and Washington.

It's no secret that the political climate in Washington is challenging. We all read about the highly charged partisan atmosphere—something I experience regularly, first hand. But that's why it's more important than ever for me to find opportunities to work across the aisle or on things that aren't caught up in the political or ideological battles that are far too common these days.

I continue to work hard to help develop the local farm economy in Maine and across the country. Maine has more farms than any other New England state, and the number of farms and total farm acreage is on the increase. The average age of farmers in Maine is declining (unlike much of the rest of the country) and the value of what we are growing in Maine is going up. For example, organic agriculture sales increased by nearly 25% in just five years.

Local farms and food help the local economy. Every dollar that is spent to buy food locally is a dollar that supports small businesses and jobs in our communities. Not only is local food better, fresher, and healthier, it's good for all businesses.

Another issue that has bipartisan support is helping reform policy at the Department of Veterans Affairs. We continue to push the VA to improve wait times and reduce the backlog at their facilities in Maine and around the country. And we are continuing our fight to pass the Ruth Moore Act—named after a Maine veteran who struggled for 23 years to get disability benefits from the Department of Veterans Affairs after she was sexually assaulted while in the military. The bill would help veterans like Ruth get the assistance they need to recover from the debilitating trauma they suffered while serving the country.

While policy in Washington is important, so is the work my staff and I do here in Maine. My office keeps close connections to Maine communities and their leaders to make sure we're doing all we can to help them succeed. This work might include providing letters of support for federal grant applications, getting answers from federal agencies, or bringing national officials to our state to raise awareness about the good things being done here.

We also work with hundreds of constituents who have issues with federal agencies and programs. Not everyone knows that you can call your Member of Congress for this kind of thing, but it's an essential part of my responsibilities and my commitment to the people I serve. Members of my staff are experts on issues ranging from veterans benefits and IRS questions to Social Security problems and passport inquiries. They can help you navigate the process, communicate with federal agencies, and, in certain circumstances, facilitate the expediting of claims. If there is an area where you need assistance, I encourage you to call my Portland office at (207) 774-5019 or go to my website, www.pingree.house.gov.

Again, it's a privilege to serve you in Congress. Please stay in touch.

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at **1-800-432-1599**. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at www.king.senate.gov.

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

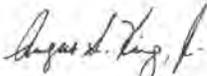

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Sincerely,

March, 2015

I begin this report by congratulating our new Sheriff William King of Saco and our new Chief Deputy Tomas Baran of York. I have observed their work at the York County Sheriff's office in other roles and I can state with confidence that we have as fine a leadership team as in any county in the state.

I also take great pleasure in welcoming Arthur Cleaves, our new Director of Emergency Management. Art joins York County following successful assignments as Administrator of FEMA in New England and as head of Maine's emergency management agency (MEMA).

Through Art's leadership and the hard work of the EMA staff, York County was recently named as one of only three Maine counties to receive funds from FEMA to assist in the recovery from storm damage and to reimburse snow removal costs. Each of the 29 York County towns will share in these funds.

With budget time upon us, we Commissioners are united in the goals of keeping spending below the LD1 cap, and to keep the assessment to the towns as close to level as possible. However, these goals may be made more difficult to achieve due to the many tax shifts being proposed this year in Augusta.

Tax shifts by the state to our property taxes have become to go to method of balancing the state budget in recent years by both parties and by both the executive and the legislature. Cuts in revenue sharing and education funding have been a constant problem for the towns. The jail consolidation program in 2008 has proven to be a significant tax shift to the county, primarily due to the failure of the state to live up to its obligations. This program has failed, and the Governor and the legislature are actively working on various plans to undo the damage.

We, the Commissioners, have taken the position that the jails should be returned to the control of the counties, as they were in 2008. In accomplishing this, the state must make the counties whole in terms of all previous revenue streams. We are working closely with the county's legislative delegation, the Maine County Commissioners Association, and the Maine Sheriffs Association to accomplish this goal. This is only way to correct the harm caused by attempting to fix problems that didn't exist, at least in York County.

127th Legislature
Senate of
Maine
Senate District 35

Senator Dawn Hill
Assistant Democratic Leader
3 State House Station
Augusta, ME 04333-0003
(207) 287-1515

Dear Friends of Eliot,

I hope this letter finds you and your family doing well this year. It is an honor to serve as your State Senator in the Maine Legislature. I appreciate the support and confidence.

Our state has been through a lot over the past few years as we have collectively worked to recover from the global recession. While it has not always been easy, fortunately, Mainers are known for their resolve. We still face many challenges, but I stand ready to address them on your behalf at the State House. I am optimistic for our future and look forward to creating a stronger economy for the businesses and working families of Maine.

In addition to my regular duties as State Senator, I have been selected by my Democratic colleagues to serve as the Assistant Senate Leader this session. I am very grateful for this opportunity to serve in leadership and believe it will be valuable in my work for our community as well. My true focus will always remain on representing you, and it is my commitment to address each issue before the Legislature fairly, openly, and thoughtfully to make the best decision for our district and state.

As part of my effort to bring matters happening in Augusta back home to our district, I am pleased to offer an email newsletter to share information about ongoing legislative issues and useful resources. Please contact me to join.

I am always available to listen to your thoughts or concerns as the Legislature does its work. I can be reached locally at (207) 337-3689 or at the State House (207) 287-1515. Please feel free to email me anytime at dawn@dawnhill.org.

Again, thank you for the opportunity to represent you in the Legislature. I look forward to seeing you around.

Wishing you all the best!

Dawn Hill
State Senator

MESSAGE TO THE CITIZENS OF ELIOT

March, 2015

Dear Neighbors:

As I enter my third term as your State Representative in Augusta, I thank the many citizens who have shared wisdom, observations, suggestions and encouragement, which have helped me make prudent choices on your behalf.

As a member of the Joint Standing Committee on Energy, Utilities and Technology, I continue to work with my colleagues as well as with the leaders and experts in the Governor's Energy Office, the Efficiency Maine Trust, the Public Utilities Commission and the Office of the Public Advocate to find ways to reduce energy consumption and costs while encouraging investment in clean, cost effective, renewable energy resources.

During the first session of the 127th Legislature, we will consider nearly 1600 bills. Many of the bills will impact York County citizens in several areas, including education, veterans, public safety, infrastructure and taxes. My bills this session include one requested by our York County Manager and several by constituents, including bills related to processes to help property taxpayers, to reduce tax expenditures, to allow commercial growth of water spinach, to pay youth referees, to allow motorcycles and bicycles to proceed through a red light and to allow patient-directed care at end-of-life.

I thank you for your trust in me and hope you will continue to contact me directly about issues of concern. You may leave me a message at 1-800-423-2900, or email me at rbbeavers@comcast.net. I welcome your input.

Sincerely,

A handwritten signature in cursive script that reads "Bobbi".

NOTICE FOR OUTDOOR RECREATIONAL FACILITY USE

The Community Service Department is responsible for the management of the Dixon Road Recreation Area, Boat Basin, Frost Tufts Park, and William Murray-Rowe Park. All park related business should be referred to the Community Service Department Director at (207) 451-9334.

The Board of Selectmen, in order to protect and maximize the use of the Town's recreational facilities, has adopted policies and procedures for the operation of these facilities. Copies of these policies and procedures are available at the Community Service Department.

Effective **April 1, 2012** the Eliot Community Service Department will be adopting a "Carry-In, Carry-Out" policy for waste management at the fields and parks in Eliot. Trash & recycling barrels will no longer be provided at the Town of Eliot's Facilities; therefore visitors, spectators, and all who use the Community Service Department's Recreational Facilities will be asked to carry-out their waste, and dispose of it in a proper manner, or to recycle it when applicable.

Reservations for the private use of the pavilion at the Boat Basin and Frost Tufts Park are made at the Community Service Department. Fees are collected seven days per week from May 1st to the Sunday of Columbus Weekend. Reservations must be made in advance. Phone reservations are no longer accepted.

Fees are collected at the Boat Basin from Friday of Memorial Day Weekend through Labor Day. Collection of fees will occur on Fridays, Saturdays, Sundays, and any holiday that falls on a Monday. Fees are collected from 5:00am-5:00pm. Season passes can be purchased at the Community Service Department beginning April 1st and at the Boat Basin when fees are collected. (Residents, \$5.00 per launch and \$60.00 Season Pass; Non-residents, \$10.00 per launch and \$120.00 Season Pass). At no time may disabled boats, vehicles, equipment, or any other means block access to the ramp.

Reservations for league or private use of the athletic fields and courts are made at the Community Service Department. Reservations are taken for the current calendar year only. The public will still have free access to the fields and courts if they have not been reserved. Please note that the Department will not rent out the tennis courts or basketball courts to the extent that the public does not have free daily access.

All questions should be directed to the Community Service Department at (207) 451-9334.

THE ELIOT RECYCLING PROGRAM

The object of recycling is to place materials that used to be thrown away back into the productive economy where they can be made into useful products. By doing this we eliminate the amount of costly disposable trash. To use the Transfer Station on Route 236 you must obtain a permit (free) at the Town Hall during normal business hours. However, replacement permits for the same registration number will be charged a fee of (\$1.00) one dollar.

WE HAVE A COMMUNITY RESPONSIBILITY

Each of us must be responsible citizens and do our part to recycle and process our own trash. Trash handling fees, called tipping fees, are very expensive and the more trash we move out of the waste stream the more money we will save. The Transfer Station saves thousands of tax dollars each year through our recycling effort. In addition, we are doing something positive for our environment when we recycle.

THE SALVATION ARMY and PLANET FITNESS BINS AT THE TRANSFER STATION

The Salvation Army maintains a pick-up bin at the Eliot Transfer Station. You are encouraged to use it. The Salvation Army needs:

COMPLETE GAMES
CLEAN CLOTHES

SHOES
TOYS

CHILDREN'S BOOKS
BOOTS

Please keep all materials for the Salvation Army dry and clean!

REPORT OF THE BOARD OF SELECTMEN

On February 9, 2014 our first Town Manager, Dana Lee, began his duties at the town office. By all accounts, he came in at a hard time, being right in the middle of preparing the annual budget and the long-standing Tax Increment Financing debate.

One of the main challenges in changing the form of our government to a Town Manager form, meant that we had to establish whole new lines of communication and command, and needed to change virtually every policy to reflect the role the Town Manager now plays in all administrative affairs.

Dana jokes that he had a full three-page to-do list by the end of the first day, and as he became more familiar with our committees' numerous projects, the to-do list continued to grow. We give credit to the Town Manager for tackling so many issues in this past twelve month period. The to-do list has fluctuated, but he keeps the Board constantly aware of what has been done, and what is next up to be done.

In the interest of brevity, we will report the highlights of these activities in bulleted format.

- We established a "Chain of Communication;" how to use the Town Manager;
- Immediately recommended changing to full "gross budgeting" and began re-working the developing budget to meet the recommendations of our Auditors;
- The Town Manager was tasked with managing the existing budget which was already in an overage position;
- Updated numerous job descriptions, changed and expanded duties of several staff:
 - Assessor is now doing our revaluations in house at the rate of ¼ of the Town per year
 - Town Clerk became a department head and went to salary;
 - Treasurer became Finance Director with expanded responsibilities;
 - Hired two clerks in Town Clerk's office in 12 months due to promotions as Tax Collector and Administrative Secretary positions;
 - Had two part-time CEOs, then hired a veteran Code Enforcement Officer and made the work more fully and consistently;
 - Hired a new Harbor Master and established a seven-person Harbor Commission;
 - Only three police officers were on staff when the Town Manager started; now almost at full staffing again and controlling overtime better;
- The Town Manager had to clean up a prohibited practice complaint brought by one union, and had to resolve two union contracts that were still up in the air and unresolved;
- Created an Organizational Chart to show the communication and command relationships;
- Began doing goal setting with all senior staff and has conducted two evaluations (each) on those staff since then;
- The Selectmen and Town Manager are close to finishing a total review of the Personnel Policies;
- The Selectmen and Town Manager are close to finishing a total review of the Selectmen's policies;
- The Inability to Pay ("Poverty Abatement") form and system was revised to prevent ever considering a second home, plain land, or commercial property for abatement;
- The Consent Agreement Policy was debated and clarified;
- The Town Manager was given the goal of trying to resolve the fractious Tax Increment Financing / Sewer issues. He proposed phased sewer system build out, and ultimately was instrumental in forming a TIF Alternatives Committee to try and find a project both more acceptable to the

community as a whole and remaining approvable by the State's Department of Economic and Community Development criteria;

- We continue to deal with a sewer system that had been running in the red; rate increases were needed, two pump stations needed upgrades (and how to pay for them), and the need for an operations & maintenance going forward;
- He found ten or so foreclosed properties owned by the Town and arranged to let people buy them back, and created a system to sell them by bid, if necessary. All are cleared up now; one gained us \$22,500;
- Old personal property tax accounts were also cleaned up (abated or paid);
- Our Community Service Department had plans for renovating some space at Eliot Elementary School and the Town Manager and staff had to manage that project and the move. It went smoothly;
- The Park Street storm water project had been designed and now needed to be managed to its conclusion, involving many landowners, easements, etc.;
- We tightened up requirements on receiving General Assistance and dropped the budget from \$65,000 in fiscal year 13-14, to just \$38,000 in fiscal year 15-16;
- The Town Manager and staff instituted taking credit and debit cards;
- The Town Manager and staff realized some of our data security and data backups were not functioning properly and had those issues corrected;
- We finished the test period on the Pay-As-You-Throw (and composting) waste management systems; found large savings and made it permanent;
- Marshwood Estates' potable water issues continued and the Town Manager tried to help owner get state loan to resolve drinking water issues without success;
- A comprehensive road study, management plan and funding plan had been conducted; Town Manager and Public Works implemented first year of plan after presentations on how to save money on paving;
- The Staff and Selectmen had to address the dwindling number of Growth Permits being available through a recommended ordinance revision;
- The Town Manager realized that we had over 40 different accounts across 5 banks, and we were receiving almost no interest on our funds. The accounts were consolidated at one bank with sub-accounting and a new investment strategy was tackled;
- The Town Manager was tasked with accounting system improvements (per auditor's recommendations) and the development of comprehensive financial policies, which are currently in development;
- The Town had filed a petition to EPA to find out about the emissions coming from the Schiller plant in New Hampshire; the town worked with DEP and EPA to install one fixed air monitoring unit, and occasional daily samples in other locations of town (March 2015); thus far, no evidence of exceedances of pollution standards;
- We instituted a Drug Free Zone Ordinance;
- The Ordinance Governing Boards, Commissions and Committees was updated;
- The Town Manager worked to rejuvenate the Business Development Committee, joined the Greater York Chamber of Commerce and did a Business After Hours for local business owners;
- The Town Manager and Energy Committee used grants to replace all the lighting in all the buildings with LEDs; already seeing 20% drop in electric bills.

It has been a pleasure serving the citizens of Eliot this year. There are many challenges ahead, but the future looks bright with new, experienced administrative leadership in the Town Manager position and alert, concerned citizens willing to assist our town's management.

Sincerely,

Stephen Beckert, Chair, Eliot Board of Selectmen

REPORT OF THE BUDGET COMMITTEE

The Mission Statement of the Budget Committee adopted on November 13, 2012 states, "The mission of the Eliot Budget Committee is to consider any or all municipal questions of a financial nature, or which result in an outcome of a financial nature, and make reports or recommendations to the Town.

The Budget Committee is composed of seven citizens elected by the citizens of Eliot. During the 2014-2015 fiscal year one position was vacant until the November election due to the resignation of a member who was elected to the Board of Selectmen and one position was vacated in March due to a member moving out of Eliot. One member of the Budget Committee attended via Skype during the months of February, March and early April.

Meetings are held the 2nd Tuesday of each month and are open to attendance and comment by the general public. They are available for viewing live or by convenience via Internet at www.townhallstreams.com. This year during its regular meetings, the Budget Committee reviewed and revised its Procedures and Guidelines with input from members of the public in attendance. Meetings also included the review and discussion of monthly financial reports.

During budget season, the Budget Committee met as often as necessary to review and discuss the annual budget recommended by the Town Manager. The Budget Committee met twice in February, nine times in March, including two joint meetings with the Board of Selectmen, and weekly during the month of April.

The Budget Committee is concerned about the increase in the municipal spending plan proposed for Eliot by the Board of Selectmen. The Board of Selectmen's proposed budget reflects a spending increase of \$235,128.62. The MSAD 35 proposed budget reflects a spending increase of \$262,826. In response to the concern, the Budget Committee is recommending a reduction in spending that keeps increases below the LD1 cap.

Some areas of concern for the Budget Committee included:

- Increased costs for wages and benefits for Town employees
- The proposed increases in the Harbormaster's budget including a new position
- The proposed new position in the Public Works Department
- The State's unfunded mandate regarding the maintenance of cemeteries
- The funding requested by the William Fogg Library
- The funds to be expended on the State mandated Storm Water project.
- The proposed bond for sewer repairs, maintenance and upgrades

We encourage residents to do the following; (1) attend Board of Selectmen, Budget Committee and School Board meetings to get informed, (2) if you are not able to attend the Board of Selectmen or Budget Committee Meetings view them through the Town Website on video in real time or later at your leisure, (3) if you are not able to attend School Board meetings view them on video stream on the MSAD 35 website, (4) make your priorities and views on spending known, and (6) go to the polls on Tuesday for the MSAD 35 budget, and to the open floor Town Meeting on Saturday for the municipal budget to vote on setting the spending for the 2015/2016 fiscal year.

Town Meeting will be held at Marshwood Middle School with Referendum Voting on Tuesday, June 9, 2015, from 8:00 AM to 8:00 PM and open floor Town Meeting on Saturday, June 13, 2015 beginning at 9:00 AM.

REPORT FROM SAD #35

To the Citizens of Eliot;

Greetings from your school department! At this writing in March, the snow is still piled high, but by the time the annual report is published, no doubt summer will have arrived. And although we are only 2/3 of the way through the school year, we already have many significant accomplishments to report to you.

Each of our 5 schools is well run, productive, and engaged in excellent student work. MSAD35 is one of the top 10 proficient school districts in the state of Maine, and one of the top 8 most efficient districts as well. Our students perform extremely well at all levels. In addition, our kids do meaningful work beyond classroom academics. Here are a few highlights from our principals:

Nina D'Aran at CES reports that her students were thrilled to witness a life-sized replica of a finback whale, which enabled them to learn more about the ocean environment. They were also treated to another visit from Kathy Gunst, a South Berwick resident who has been leading the national "Chefs Move to School" program locally.

At EES, Mo Goering is very proud that her students raised over \$2400 through the "Read Across America Service Learning" project, and donated this money to animal welfare. In addition, students in the 3rd grade improved their STEM skills (Science, Technology, Engineering and Math) this year through problem solving activities involving Legos.

At MGWS, Jerry Burnell highlights the Girls' Running Club. Jerry says that this program was about much more than simply running. He reports that the girls learned about nutrition, body image, the media, and positive self-talk. As a bonus, the MHS girls' cross-country team worked with the MGWS girls, and ran with them as they trained for a 5K race.

John Caverly is happy to report that the Student Government at MMS presented a school wide program on how to build a positive school climate. His students also organized and led an open house for the families of Rollinsford middle school students who will be joining MSAD35 next fall.

At MHS, Paul Mehlhorn reports that our HOLD kids (Hawks Outdoor Leadership Development), led by health teacher Scott Patch, engaged in a number of hikes and activities with MGWS, and will accompany the 5th graders on their annual trip to Pinkham Notch. Other notable accomplishments: Our math team won its division, our football and wrestling teams won the state championships, and our girl skiers are SMAA champs.

Once again, Tanya West directed the District Musical. The show this year was "The Railway Children," which included 130 students from grades 3-12. The combined efforts of kids, adult volunteers and staff came together in a fabulous production, complete with remarkable sets, costumes, and choreography. This musical is one of the reasons that Marshwood is unique!

Another example of outstanding Marshwood success is the Maine state title for our "We, the People" team, led by MHS Social Studies teacher Matt Sanzone. This is the 7th state win for the MHS team, comprised of 35 students who are extremely well versed in the US

Constitution, Bill of Rights, and Supreme Court cases. Our WTP team will travel to Washington, DC in April to compete in the national finals.

One of the educational strategies that makes this solid work possible is the implementation of “common planning time” for our teachers. All the educational research points to collaboration as the most effective way to improve teaching practices and student achievement, so to that end, we are working to create significant common planning time for every teacher at every grade level.

Finally, we are looking forward to welcoming 110 Rollinsford students into all our classes and activities next fall. These students will be tuitioned to MSAD35, and after a projected addition of 9 teachers, due to our efficiencies we should realize \$400,000 in revenue. We have been planning carefully for these students for last 3 years, and we are eager to finally have them here! It is a very exciting time for all 3 towns.

The brains and creativity responsible for directing all this excellent work belong to Dr. Mary Nash. Dr. Nash is completing her fourth year as our superintendent, and not only does she lead this district with purpose and vision, she is well respected at the county and state levels. We on the Board can say with absolute assurance that she provides innovation, stellar performance, and financial efficiency to this district.

You can find Dr. Nash and the Board at MHS at 7:00 on the 1st and 3rd Wednesdays of the month, on our website: rsu35.org, on townhallstreams.net, on facebook, and via email or phone. We are always happy to hear from you.

Respectfully Yours,
Martha Leathe, Board of Directors

REPORT OF THE WILLIAM FOGG LIBRARY TRUSTEES

It was very rewarding to have almost everyone stop by our table at the last election. It may have been the goodies we were selling but we also heard many, many words of praise for the library and its services. We are proud of all our staff and the leadership of Lydia Goodwin as our Director. They have worked through some challenging repairs and made it look easy.

Unfortunately, the library still has some challenges ahead in maintenance repairs and lighting. Hopefully, we will not interfere too much with daily duties. We are pleased with the new arches and the cooling system. It also seems more normal to have our faithful old clock back and keeping us aware of the time,

We need your support at Town Meeting, please attend. We are truly grateful for the support you give us all through the year in whatever way you can. Sometimes the bricks in our walkway tell our story better than anything else does. Thank you all.

Special thanks to Friends of the Library, Special Projects Committee, Lynn Turner, Eliot Garden Club and all who contributed to the library in any way – we could not do it without you.

REPORT OF THE WILLIAM FOGG LIBRARY/ELIOT'S COMMUNITY INFORMATION CENTER

The William Fogg Public Library has been serving the Eliot Community since 1907 and we are privileged to continue providing you with a vast array of services.

Statistically speaking...

In 2014 we welcomed 219 new patrons and we are now proudly serving 3,295 patrons at the library.

We hosted 311 (197 children's and 101 adult) programs at the library with 3,412 attendees.

Total number of items checked out or renewed in 2014 was 8,387. In addition, Eliot residents downloaded 2,296 digital e-books and audiobooks through our Maine Infonet Download Library. The Maine Infonet Download Library subscription is sponsored by the Friends of the William Fogg Library.

We received 607 items through interlibrary loans for our patrons and we provided 276 ILL items to libraries around the state.

Over the course of the year, 1,913 new books, magazines, audiobooks and DVDs were added to our collection. We also weeded 1,637 outdated or damaged items. The size of our collection now stands at 33,392 items. 30,694 print materials, 2,006 DVDs and 692 audiobooks. The library offers 34 different print magazines and 2 local newspapers.

William Fogg Public Library's volunteers logged 259 hours at the library assisting the staff with countless tasks.

More services provided for you by your library...

The library has recently purchased a site license to show films at the library and will begin showing movies in April, 2015.

William Fogg Public Library was recently chosen to receive a telescope, through a grant provided by Cornerstones of Science as part of their STAR Program. In addition to using the telescope in programming, it will be available for our patrons to borrow too.

REPORT FROM THE ELIOT LIONS CLUB

This is the first yearly report of the Eliot, Lions Club activities. The Lions purchased a new Pediavision spot vision machine to test children for a number of vision problems. It is a very accurate screening device that detects 6 major vision problems. We are available to screen any schools, or groups. Please contact Lion Sid Deraps at 207-439-2417 or Lion. Jack Keener at 207-439 6383 for further information.

The Eliot Lions Club sponsored Project Share this year. This project supplies food to the needy of Eliot at Thanksgiving and Christmas

Thanks to the Eliot School System and the local Churches, we had a lot of food items donated. We also delivered at Christmas a large truck load of food to the Foot Prints food pantry.

The Eliot Lions also furnish (free of charge) hospital beds, and other medical supplies to local residents. For information, please call Lion President Hector Mackenzie at 207-439-0812

The Eliot Lions offer a scholarship to a local high school student each year.

The Eliot Lions Have a pancake breakfast 2 times a year, the first on the first Saturday in May at the United Methodist Church on Route 236, and the 2nd. On Eliot Festival Day at the Congregational church on State Road.

The Eliot Lions had its first meeting in Eliot in 1960. We are a fast growing club and are looking for new members to take us into the future.

Lions International is the largest service organization in the world. With over 1.4 million members in 165 countries.

Lions International helped over 60 million people last year all over the World. 20 million of these were children.

Lions are a group of service-minded men and women who do volunteer work to improve their communities.

If interested, Please join us at our monthly dinner meetings. We meet at the Eliot United Methodist Church 238 Dow Highway (Route236) in Eliot. On the 2nd, and 4th, Tuesdays of the month at 6:30 P.M.

Eliot Lions Club President,

Hector (Bob) Mackenzie.

REPORT OF THE BOARD OF APPEALS

The Eliot Board of Appeals hears both Administrative Appeals and Variance Appeals. (The following definitions are from the Eliot Municipal Code of Ordinances, Section 45-49. Powers.)

“Administrative Appeals. The board of appeals shall hear and decide where an aggrieved person or party alleges error in any permit, order, requirement, determination, or other action by the planning board or code enforcement officer. The board of appeals may modify or reverse action of the planning board or code enforcement officer by a concurring vote of at least three members, only upon a finding that the decision is clearly contrary to specific provisions of this chapter”.

“Variance Appeals. The board of appeals shall hear and decide cases involving the relaxation of regulations affecting height, area, size of structures, size of yards or open spaces, or other types of variance specifically provided by this chapter. On a case-by-case basis the board of appeals may elect to hear cases involving establishment or change to a different nonconforming use. A variance shall be as limited as possible to relieve a hardship. The board of appeals shall grant a variance where a party establishes that the strict application of provisions of this chapter will cause undue hardship. The words ‘undue hardship’ mean: (1) that the land in question cannot yield a reasonable return unless a variance is granted; (2) that the need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood; (3) that the granting of the variance will not alter the essential character of the neighborhood and (4) that the hardship is not the result of action taken by the applicant or a prior owner.” The applicant must meet all four of the above criteria for a variance to be granted.

The Eliot Board of Appeals meets the third Thursday of the month at 7:00 PM at the Town Hall. Board of Appeals meetings are open to the public and all are welcome and encouraged to attend. Meetings are also live video streamed and meeting minutes archived online through our Town of Eliot website.

The Board of Appeals met seven times in 2014 and held six public hearings. It reviewed three Administrative Appeals, one of which was granted, one denied and one withdrawn. Three Variance Appeals were reviewed, one of which was granted and two denied.

The Board of Appeals would like to thank the citizens of Eliot for their support.

REPORT OF THE BUSINESS DEVELOPMENT COMMITTEE

The Business Development Committee continued working on our mission: “To attract a diverse range of environmentally sound commercial enterprises in focused areas of Eliot, minimizing the impact on the rural nature of the community while acknowledging the need for an expanded tax base.”

The Committee currently meets on the third Monday of each month in the Town Hall and we are always looking for new members and new ideas.

The Committee focused on the following in the past year:

- Educating voters about the potential of a sewer project with the TIF funds. The Committee is committed to informing tax payers about the possibilities of an expanded tax base with additional sewerage coverage in the Commercial District.
- The Committee continues to respond to inquiries regarding potential business relocations to Eliot. Business interest was at a moderate level near the end of the year with inquiries from Cumberland Farm, Dollar General, and NAPA Auto Parts, among others.
- The Committee continues sending letters welcoming businesses that choose to locate or expand their operations in Eliot. We offer our support should there be any issues that the business need to have addressed.
- The Committee is working towards obtaining “Business Friendly” certification through the State; we hope to be approved during the 2015 review process with the Department of Economic and Community Development.
- The Committee is working towards building a network of business owners in town with a few programs including a Business after Hours, a better partnership with the York Chamber of Commerce, and a trade show for the Seacoast community highlighting Eliot’s small businesses.

We obtained two new members this year, Steve Reiner and Melissa Horner. The Committee would like to thank and acknowledge Ted Place for his years of service to the Business Development Committee. We encourage Eliot’s residents’ involvement with our projects, you do not need to be a member of our Committee to attend meetings and provide us with input and support.

REPORT OF ELIOT TOWN CHARTER COMMISSION

At the November 2013 general election Eliot Citizens voted in favor of allowing work to begin that would result in an opportunity to redefine the way Eliot was governed on a local level. This by both approving a Charter Commission and electing six of its nine members. "A Charter is the municipal equivalent of a state or federal constitution, and it is within the municipal charter where such essential questions as the structure of government, the distribution of powers within the government and a citizens access to government are-more or less-completely answered".(1)

The makeup of the Charter Commission, its powers, responsibilities, authority, duties and deadlines are all governed by Maine State Statute. The Commission consists of nine members six elected and three appointed by the Board of Selectman. Maine State Statute requires that this report be submitted to the voters within nine (9) months of the election of Charter Commission members unless the municipal officers (Board of Selectmen) grant an extension to this time limit. The Statute allows for the granting of up to twenty-four (24) months. While the Commission had hoped to meet the nine month deadline we have found that it was not possible. We have chosen to carefully review each section sentence-by-sentence. This approach, while time consuming, will render a thoroughly analyzed finished product that represents the majority thinking of our Commission. On August 28, 2014 the Commission requested that the Board of Selectmen grant a twelve month (12) extension to our preliminary report deadline. The request was granted, thus extending the deadline through November 6, 2015.

Currently the Charter Commission is meeting twice monthly in the Town Hall Conference Room. As of this writing the Proposed Charter consists of eight (8) Articles and is posted on the Charter Commission page of the Eliot Town Website. Eliot Residents are both welcome and encouraged to attend. However, if you are not able to attend, meetings are live streamed as well as available on file at the Eliot website. The Commission welcomes any constructive ideas, comments and materials; they can be sent to the Eliot Charter Commission via US Postal Service or email through the Town Clerk.

The mission statement adopted by the Eliot Charter Commission is as follows, "The purpose of the Charter Commission is to examine the current structure and processes of our local government, to gather and discuss concepts and ideas put

forth by the citizens and to propose changes in and codification of our form of local government and to present them to the voters of Eliot with the goal of increasing citizen participation and government transparency.”

REPORT OF THE COMPREHENSIVE PLAN IMPLEMENTATION COMMITTEE

Boards and committees responsible for comp plan initiatives have provided an update as to what has been done and what still remains to be implemented in accordance with the comp plan. The comp plan review committee is in the process of reviewing each response and scheduling sessions with the various boards and committees to further understand the obstacles hindering implementation. As we review the vision for the town as set forth in the comprehensive plan, it is the intention of the comp plan review committee to strategize solutions for successful implementation of the plan. As the needs of the town change, the committee will review the need for revised goals and objectives.

REPORT OF THE CONSERVATION COMMISSION

This past year, the Conservation Commission has taken steps to improve its public relations with residents. We have created informational pamphlets on our focus areas of ecological significance and invasive species of concern. These pamphlets have been made available to the public at Eliot Festival Day, Election Day voting site, the town hall, the town website, and the William Fogg Library. We are currently working on pulling together informational material on the various walking/hiking paths in the local area to distribute to the public.

The Conservation Commission continues to work with regional initiatives and collaborations such as the Great Works Regional Land Trust, Beginning with Habitat, the Maine Association of Conservation Commissions, and the Mount A to the Sea to address issues of conservational concern that extend beyond the borders of our town.

We are seeking to improve public access to town owned land for appropriate recreational purposes such as hiking, fishing, and other lower intensity activities that would not harm the environments in which they take place. It is our hope that improved public access would foster a sense of community ownership and pride in these areas.

As an advisory board, we have been striving toward making sure that conservation of natural resources is taken seriously by other boards and committees in the town. We continue to work with the Planning Board by reviewing development projects that are submitted to ensure that appropriate precautions, studies, and surveys are conducted. We acknowledge the importance of protecting our wetlands, especially considering the upcoming sea level rise that we will be facing in the near future. Since our wetlands serve as a crucial buffer, it behooves us as a town to make sure that they remain protected and undeveloped to help mitigate any negative effects of sea level rise. The Conservation Commission will continue to keep these protections in place to the best of our ability.

We have had the pleasure of welcoming two more members to our commission: Valerie Nardone, and C.J. Cogswell.

The Conservation Commission has been working to improve public relations in our town. We have increased our presence through social media by creating a Facebook page that allows the public to engage in an ongoing dialogue with us on issues of concern, or just to share their thoughts about conservation or the special places in Eliot that we work to protect. We encourage feedback and public participation, be it via our Facebook page, by correspondence through the town hall, or by attending our meetings which are open to the public and held at the town hall at 7PM on the first Wednesday of each month.

REPORT OF THE EMERGENCY MANAGEMENT

To the Citizens of Eliot;

We made it through Winter Storm Juno with relatively minor problems. FEMA has declared that storm a disaster making us eligible for recovery of some costs associated with storm cleanup operations. All the departments have worked diligently to capture accurate data to receive as much recovery money as possible thereby reducing our operational costs outlay.

The importance of being prepared for long term power outages in your home can certainly relieve you of major stress and worries. The Internet has many web sites offering suggestions to help you tailor your preparedness to any expected emergency. If you find that you cannot find any information to fit your needs please contact us for assistance.

Remember we are part of the Fire Department, which does help in reaching somebody for assistance.

York County EMA as well as Maine EMA (MEMA) has several web links full of information for the home owner and business owner to prepare for and recover from a disaster. If you need assistance please contact the EMA Director via email @ eliotfirechief@hotmail.com

York County EMA has started the "Code Red" telephone notification system. This will allow us to relay important emergency information to your phone. If you have a cell phone as your primary phone, please visit York County's website and register your phone. The town's web-page thought its E-alert program is often used to inform people of pending or current emergencies. Sign up if you haven't already thought the website.

If you have damage to your property please be cautious in assessing it. Hire a professional if needed to limit your exposure to dangerous situations or unstable buildings. You may see a request to report your damages to us in the news. Be assured the information is for data collection only. We would never share your information with anyone.

For up to date emergency information please visit our Facebook page. Town of Emergency Management. Don't forget to like us and share the information.

During times of emergencies and non-emergencies we can be reached through Kittery Dispatch at 439-1253. If you have real emergency continue to call 911

Sincerely,

Jay Muzeroll
EEM Director

REPORT OF THE ELIOT ENERGY COMMISSION

The mission of the Eliot Energy Commission (EEC) is to promote increased energy conservation, efficiency and local energy production throughout the Town of Eliot. Town energy policies and strategies are part of the Town's Comprehensive Plan. The EEC has suggested energy reduction targets, actions and implementation costs which will help control inevitable large future energy cost increases for the Town and residents. Professional energy audits have been completed on all Town buildings. Energy reduction efforts have been successful as measured by our energy inventory, annually updated since 08/09. The annual budget of the Energy Commission equates to cost of 69 cents for a \$230,000 home.

2010 – Town Hall Insulation- Improved attic and ductwork insulation, lowered ceiling in meeting room - resulted in electricity usage down 36%, heating oil usage down 49%

2011 - Police Station HVAC - Replaced central air conditioner condenser with a more efficient unit, reconfigured air conditioning in main meeting room with a more efficient “mini split” unit, Upgraded existing ductwork, replaced boiler fired hot water system with an “on demand” unit and added controller so that boiler hot water is no longer always circulated to ceiling heaters - resulted in electricity usage down 16% and heating oil usage down 35%.

2013 - Town Garage Solar - Installed solar panels at no initial cost to the Town on the roof of the Garage to generate 50,000 kwh of electricity per year - used by the Garage, the Transfer Station and the Police Station. The Town buys solar power from the installer at a discount (called a Power Purchase Agreement) with an option to buy the entire system after 6 years (at approximately half of its value at that time) to get maximum incentives and savings for the Town. The 40 year savings for Town will be about \$333,000 assuming electricity rates rise by average of 2% per year. The system generated 100.5% of predicted in its first year.

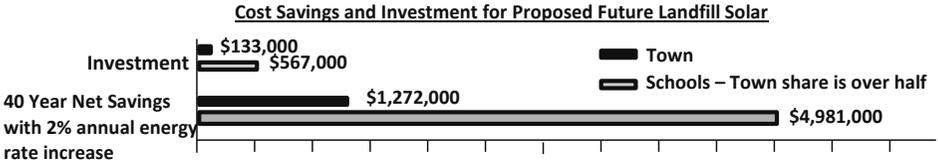

2014 – High Efficiency Lighting for Town Hall, Police Station and Fire Station. Existing lighting was replaced throughout with LED and other high efficiency units. A 20% reduction in electricity usage has been experienced so far in 14/15 after lighting improvements were completed.

2015 - Further energy efficiency improvements are planned – Garage work already completed: additional attic insulation, fume exhaust system, new high efficiency boiler and an “on demand” hot water unit. Fire Station work planned for 2015/2016: extensive weatherization and insulation.

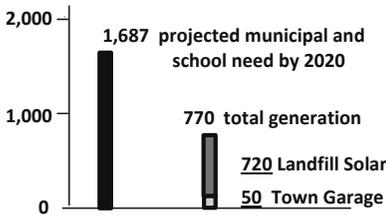

Continued energy reduction efforts each year are needed to reduce future energy costs for the Town. Since 2010, the Town has invested \$58,000 in energy improvements and the EEC secured \$53,000 in ARRA grants for professional energy audits and additional energy improvements. This investment equates to a cost per home of \$3.58 per year over the five year period.

2015 – Landfill Solar Proposed - After the successful Town Garage Solar installation, the EEC has proposed a larger solar electric installation at the Public Works facility on the capped landfill. This system will have the capacity to power 100% of the Town's municipal needs and 40% of the school needs projected by 2020 when full energy reductions are implemented. At today's school electricity use, this system can fully power the Middle School and Great Works School. The EEC has agreed to assist the schools in reducing their energy usage using experience gained with Town successes. It is noted that school electricity and heating oil use is currently 8 times Eliot's municipal use and Eliot pays over half of that cost.

We recommend that the Town set up a Power Purchase Agreement with an installer where we can buy the system at about half of its installed cost after six years. The investment in the municipal portion of the landfill solar would be \$6.10 per year for a home over a period of 6 years with a an average annual return of \$10.29 per home for 40 years. This equates to an investment with a 28% annual return.

Proposed Solar and Projected Need in 2020
- Electricity data shown in thousands of kwh

Existing 50,000 kwh solar installation on the garage roof has generated over 100% of projected power

REPORT FROM THE HARBOR COMMISSION

We are pleased as the Harbor Commission to be submitting our first annual report to the citizens of Eliot.

Town Manager Lee recommended that a Harbor Commission be formed with a primary purpose of implementing and updating the Eliot Harbor Ordinance (last updated and adopted in 2001). After creation and approval of Harbor Commission By-Laws on July 24, 2014 the Board of Selectman established the Eliot Harbor Commission. Commission Members were appointed at the August 14, 2014 Selectmen's Meeting. The members reflect a cross section of Eliot residents who have marine related interests and backgrounds, with many years of combined experience and knowledge of the adjacent rivers and the folks that use them.

The Commission has made the review and update of the "Town of Eliot Harbor Ordinance" the priority. This process entails detailed review of the needs and concerns of Eliot Officials, Eliot Harbormaster, Mooring Holders, State Laws and Eliot citizens. In the future, it is possible that the Commission may be asked to engage in other related activities which could best utilize the talents of the Commission members, and with overall benefit to the Town of Eliot.

Currently the Harbor Commission meets monthly on the third Monday of the month at the Eliot Town Hall. Commission agendas are posted on the Eliot Web Site and published on our Town Clerk's Alert System. Eliot residents are both welcomed and encouraged to attend. For those unable to attend, meetings are live streamed and also available at the Eliot town website, www.eliotmaine.org. The Harbor Commission can be reached via the Town Clerk at 1333 State Road, Eliot ME 03903.

REPORT OF THE HEALTH OFFICER

The role of the Health Officer includes working with the York District Public Health Coordinating Council. Public Health encompasses multiple categories: public safety, environmental safety, healthy behavior promotion, substance abuse prevention, vector borne diseases, mental health, immunizations, healthcare policy, community planning are some of these areas. Each year the York District PHCC sponsors meetings on various public health topics affecting residents of Southern Maine. This year I attended a meeting on "The public health impact of Climate Change" which discussed the implication of changing weather patterns on vector borne disease, for example anticipating an increasing incidence of Lyme disease. I also attended a Table Top Exercise on Public Health Emergencies in May of 2014. On March 25, I will be attending a very pertinent meeting regarding the impact of opiates use: "Heroin: A Community Conversation". Heroin use is significantly impacting many lives on the Seacoast. Meetings conducted by "Choose to be Healthy" and sponsored by the York District Health Council are often open to interested members of the public and upcoming events can be viewed on line.

One of my major goals as Health Officer has been to increase healthy behaviors of the residents of Eliot. In 2013, I worked with Sue Patterson of Healthy Maine Partnerships to conduct a rural active living assessment of Eliot. Maine Active Community Conferences are held every year and I attended in 2012 and 2013. Healthy community design promotes healthy behaviors by increasing physical activities, increasing access to walking and cycling paths and roads. The assessment of Eliot indicated that the town could improve healthy activities by increasing the amount of sidewalks and doing more to promote bicycling (work with Eastern Trail Association). I requested that the town become a full member of the Eastern Trail Association as this organization has been very successful in promoting outside physical activity in Southern Maine and uses Eliot roadways as part of the trail. Because the town did not want to budget the money towards membership, I gave 25% of my stipend to The Eastern Trail as a way to promote physical activity for Eliot residents.

I have been conducting an exercise class for seniors on Thursdays from 11:00-12:00 at the Baran Place Community Room. This class is ongoing and for those who have not been exercising or are deconditioned. It is free to Eliot residents.

I assisted the Home Health Visiting Nurses of Southern Maine with the flu clinic on October 7, 2014. The visiting nurses conduct the clinic as a convenience for residents of Eliot and covers costs by submitting to recipient's insurance. Over 45 people were vaccinated for the flu at that time. Because Flu clinics are more abundant and the vaccine is more readily available, the Eliot clinic does fewer vaccinations than 5 to 6 years ago.

I received very few calls this year from Eliot resident regarding potential health hazards or complaints. Each of these calls was responded to and resolved. I am always available via phone and will respond within 24 hours.

REPORT OF THE ELIOT PLANNING BOARD

The Eliot Planning Board (Board) is an appointed board consisting of five regular voting members and two alternates. The Board reviews land use, shoreland zoning, home business, and subdivision applications for compliance with the Eliot Code of Ordinances. The Board also reviews ordinances and revises them, as necessary, to comply with State and Federal mandates, staff recommendations, the 2009 Comprehensive Plan, case law, and the wishes of the community.

The Board holds regularly scheduled meetings on the first and third Tuesday of every month. The first monthly meeting is typically reserved for Planning Board administrative business such as ordinance review. The second monthly meeting is typically reserved for review of land use applications. The Board occasionally schedules additional meetings as required to accomplish our workload or to collaborate with other Boards and Committees.

The Board continues to hold a 10-minute public comment session at the beginning of the first meeting of each month. The public input session is intended to solicit feedback from the public on topics not associated with applications under Board review. The Board encourages public participation and welcomes any input whether verbal or in writing.

In 2014, 22 meetings were conducted in addition to site walks conducted as a part of application review. A total of 17 applications were reviewed by the Board including an open-space subdivision, a Cumberland Farms retail store and gas station, a NAPA auto parts store and a Dollar General store. The Planning Board also continually worked on revising ordinances and implementing the goals, policies and strategies of the Comprehensive Plan including:

- Continued partnership with the Business Development Committee to establish a General Business District at the southern end of Route 236 and restructure the Table of Land Uses;
- Rezoned certain wetland habitat areas from the Resource Protection district to the Limited Residential Shoreland district;
- Proposed amendments to the Growth Management Ordinance to address the shortage of growth permits; and
- Began working on clarifying ordinance provisions pertaining to access ways to backlots and the maximum 1,000' dead-end road limit.

There were no changes in membership in 2014. Current voting members of the Board are: Chairman Stephen Beckert, Vice Chairman Jeff Duncan, Dennis Lentz, Larry Bouchard, and Greg Whalen. Alternates are Melissa Horner and Dutch Dunkelberger. Kate Pelletier is the Planning Assistant and Ellen Lemire acts as our recording secretary.

Finally, per §29-5 of the Eliot Code, the Planning Board is tasked with determining the maximum rate of homebuilding per calendar year. For 2015, a maximum of 18 new dwelling units may be constructed in the Town of Eliot. An additional 2 dwelling units may be constructed specifically for affordable housing units.

REPORT OF THE SEWER COMMITTEE

The Sewer Committee holds meetings twice a month at 4:15 PM, on the first and third Wednesdays, and Special Meetings are called when necessary. The public is always invited to attend. For those citizens unable to attend the Sewer Committee meetings, the video streaming is available for viewing.

The Committee continues to review the past, present and future sewer needs for the Town of Eliot.

Some of the major issues facing the Town are the need and necessity to perform upgrades/improvements to two of the Towns sewer pump stations (EPS#1 and EPS#2), continued Inflow and Infiltration investigations and review of sewer user rates and other rate structured fees to support sewer services.

The Inflow and Infiltration (I&I) problems within the existing system continue to be addressed by the Department of Public Works. Problems identified and repairs made to the South Eliot sewer system resulted in a great reduction of ground water, reducing the I&I into the system. The Department of Public Works continues to monitor and address the I&I going into the public system.

The Committee supported and indorsed the increase in sewer rates proposed by the Department of Public Works. It should be noted that prior to 2012 the Town of Eliot had not had an increase in sewer rates from 1991 to 2011. The reason for the rate adjustments were required to not only meet operating expenses, but also establish greater equity in the rate structure. The adjustments generate a greater fixed revenue stream for the purpose of covering the cost of general maintenance, capital reserves, and capital expenditures for reducing the Inflow and Infiltration of the system which immediately reduces the overall cost of treatment at the Kittery Waste Water Treatment Facility.

The Intermunicipal Agreement (I.M.A.) between the Town of Eliot and the Town of Kittery helps govern the cost for the Town of Eliot to the Town of Kittery for the treatment cost of the Town's waste. The IMA was approved by referendum vote in June 2013. The major purpose of the agreement is to deal with the existing sewer and the amount of quarterly flow to the Kittery Wastewater Treatment Facility. The agreement allows for a more simplified and uniform per gallon cost, which provides a more accurate computation of quarterly costs to the users, but is directly, impacted by needles I&I into the system. That is why it is critical for all of us to work together to reduce unnecessary flows into the sewer system.

A "thank you" is due to all of the dedicated Sewer Committee members who have worked diligently to address the sewer situations of Eliot!

REPORT OF THE SOLID WASTE / RECYCLING COMMITTEE

Pay-to-throw, Kitchen food waste collection and collection of miscellaneous plastics were all started in 2013, so 2014 was the first full year for these programs. All three complement each other – separation of kitchen food waste helps to reduce the weight and separation of the miscellaneous plastics helps to reduce the volume of the Pay-to-throw bags. Residents utilizing these new programs along with the other existing recycling options have substantially reduced the volume of trash at the transfer station. The year prior to these programs, the town paid \$53,200 to dispose of 792 tons of trash. During the first full year, the tonnage decreased to 321 tons at a cost of \$21,563, a reduction of 471 tons (more than 59%) and a cost savings of \$31,637.

The committee wants to thank all residents of Eliot for this impressive accomplishment

The Town of Eliot was also recognized by the Northeast Resource Recovery Association, receiving the 2014 NRRRA Composting of the Year Award.

Other projects:

- The majority of the signs in the recycling building were upgraded to include pictures as well as a word description of each commodity.
- The committee has also been working on a proposed revision to the Waste Recycling and Disposal Ordinance.
-

In the year ahead, the committee plans to:

- Complete review of the Waste Recycling and Disposal Ordinance
- Decide if additional precautions are warranted for “sharps” collection.
- Continue to monitor volumes of trash and recyclables collected at the transfer station.
- Continue to review/monitor household hazardous waste collection
- Determine need for coordination with MSAD #35 and implement programs as necessary

REPORT OF THE ASSESSOR

If you are the owner of record on April 1, you will receive the current year's tax bill. Please forward to the new owner if you sell your property after April 1. Prorating of taxes between the buyer and seller does not involve the municipality. Often times' monies are collected for taxes at the closing but are not paid to the municipality.

The annual cutoff date for making an application for a Veteran's Exemptions is April 1. If you are a veteran who will be 62 years of age before April 1, or an unremarried widow of a veteran, who would have been 62 years of age before April 1, you may be entitled to a Veteran's Exemption. If you are a disabled veteran, regardless of age, you may also be eligible for an exemption. Please contact the Town Hall for a Veteran's Exemption Application and a complete list of qualifications.

The Homestead Exemption annual cutoff date is April 1. You must be a resident of the State and have owned a homestead in the State for one year on April 1. Please remember that taxpayers need only apply once. Applications are available at the town office and online at: <http://www.maine.gov/revenue/forms/property/appsformspubs.htm>.

ELIOT COMMUNITY SERVICE DEPARTMENT

To the Citizens of Eliot:

The Community Service Department called 2014 a year of organized chaos. We had many changes take place in a very short amount of time. First, we took the opportunity to re-structure staff roles and responsibilities. Amanda Paradis, KidsPLAY Director, added Office Assistant to her role which supports me in the day to day operations of the Department. She also now organizes our monthly special events. Kyle Lewis changed his role from Youth Program Coordinator to Recreation Program Coordinator. This role change added senior programming to his already busy schedule. He also is our marketing guru and assists with website design and updates.

Secondly, we received the green light to move into the Elementary School. We did this at the start of the school year in September. And with only a few minor obstacles to work through we couldn't be more thrilled with how beautiful our space is. And, especially how conveniently located we are now to our after school programs.

As we put 2014 behind us and move forward into the 2015-16 fiscal year, we have added a new sponsorship campaign, have begun writing grants for upgrades at Frost Tufts Park and looking to give Hammond Park a face lift this summer. We are also incorporating an "honor box" system at the Boat Basin launch in hopes of gaining revenue from boaters during the week. And in the midst of these projects we will be adding a few new programs while improving on the ones we currently offer.

As you review all of the budget requests for this year, I encourage you to support the Community Service Department. Our 2015-16 budget request is significantly less than last year, however please keep in mind that the largest portion of our budget comes from parks and maintenance. We are a small Department of three that offers numerous programs and activities for the Town of Eliot, while also maintaining four very active parks.

In closing, a sincere thank you to York Hospital for their continued financial partnership and to the Elementary School for being such gracious hosts in allowing us to share their space. And lastly a much deserved personal thank you to both Amanda and Kyle. You both went above and beyond the extra mile this past year and it is greatly appreciated!

Respectfully submitted,

Heather Muzeroll-Roy, ECSD Director

REPORT OF THE FIRE DEPARTMENT

To the Citizens of Eliot;

The Eliot Fire Department Officers, members and families once again thanks everyone in the community for the continued support. We are all members of this wonderful community and have a vested interest in its successful operation.

The Fire Department has started to sell reflective address signs for residences and business to display. These signs once attached to a mail post or other object in a conspicuous location help us find you much quicker. As our add states "If we can't find you we can't help you" A \$15 investment may save us valuable time in helping you. Visit our website www.eliotfire.com for ordering information or stop by the fire station on a Monday night for more information.

Our membership needs help. As people's lives become busy and the rigors of training become more involved, the ability to volunteer for some takes a back seat. This is not an easy job. Many hours of training are required to support our role. The satisfaction of helping those in need may help offset the time away from other involvements in life. If you are interested in being part of a top notch emergency response department, please stop by the station for a tour to see what it takes to be a team member.

We have had a very safe year and continue to focus on fire ground safety through aggressive training. This not only saves lives and property but helps ensure every firefighter goes home.

Our monthly run numbers and types of responses are posted on our website along with several valuable pieces of information, check it out. Check our Facebook page as well for interesting posts. Don't forget to like and share us.

Thanks to all the towns departments, boards and committees that work hand in hand with us throughout the year.

Sincerely,
Jay P. Muzeroll
Eliot Fire Chief

REPORT OF THE FIRE WARDEN

To the Citizens of Eliot;

Several hundred fire permits were issued last year for open burning. Residential burning permits are available Monday–Friday for burning from 5pm until midnight weather permitting from the Town Clerks office. They may be obtained during normal business hours. Open burning permits may also be obtained from Kittery Dispatch Center, 200 Rogers Road, every day weather permitting. The hours of permit use are the same as if issued in Eliot. Revamped this year is the availability to purchase Open Burn Permits through the Maine Forest Service. A portion of the fee is returned to the town. Visit www.informe.org/burnpermit

We continue to follow the State Forestry guidelines for open burning and the limitations of the materials that can be burned. Visit our website for more information. EliotFire.com

The following people may also be contacted for open burning permits:

| | | |
|--------------------------|--------------------------|-----------------|
| Town Fire Warden: | Jay Muzeroll | 439-3565 |
| Deputy Warden: | Gerald Moynahan | 439-3409 |
| Deputy Warden: | Kevin Spinney | 252-1576 |
| Deputy Warden: | Jason Cullen | 252-5709 |
| Deputy Warden: | Donald Webber Jr: | 439-2980 |
| Deputy Warden: | Denis Whyte | 451-9268 |

This past winter's weather will produce a large amount of debris. Disposal of that debris should be done early before conditions restrict when open burning permits are available. Keep piles small and manageable. Cover them if needed to keep dry for easy lighting. Waiting for a wind free or rainy day may be best.

Residential manufactured or purchased outside fire pits or fireplaces are for recreational use only and do not require a permit to use provided all other safety conditions apply, including weather conditions. The use of those devices to dispose of yard waste requires an open burning permit.

Please visit www.eliotfire.com for open burning rules and regulations.

Jay Muzeroll
Town Fire Warden

REPORT FROM THE HARBOR MASTER

I would like to thank Harold Place for serving two decades as Eliot's Harbor Master.

As your new Harbor Master, I will be working to do what is best for the Town of Eliot and still maintain its picturesque waterfront.

We have a newly appointed deputy Harbor Master, Tom Phillips and an appointed seven member Harbor Advisory Committee. We have a laptop computer with new software that enables us to have all the mooring data on the present 185 moorings that we oversee, this will be a great help in registering moorings this year. We still do not have all the latitudes and longitudes on some of the moorings, we need them to complete the new mooring field map required by the Eliot Harbor Ordinance. This spring we will be asking for that information, your help will be appreciated. The completed mooring map will be another valuable tool when placing new moorings.

Moorings must be registered by June 1, 2015. After June 1, 2015 a late fee of \$25.00 will be added to the mooring fee. Myself, or the deputy Harbor Master Tom Phillips will be available at the town hall to register moorings on Monday 3pm to 5pm and Friday 6:30am. to 9am. Starting April 16 & 17, we will continue this schedule weekly until June 1. If this schedule doesn't work for you, contact the Harbor Master to make an appointment to register your mooring.

I look forward to serving as your Harbor Master.

Respectfully,

Richard Philbrick

Harbor Master

Thomas J. Phillips III

Deputy Harbormaster

REPORT OF THE ELIOT POLICE DEPARTMENT

I would like to begin by thanking the citizens of Eliot for your continued support of our department. I am very proud of the service we provide to our town. We strive to meet our mission and core values and to be seen as leaders in law enforcement.

For 2014 we were recognized by two separate organizations for being one of the safest communities in Maine. I attribute that to the partnership that our officers have with our citizens. From businesses and residents to our Police Auxiliary, we are a team that cares deeply.

MISSION STATEMENT

IT IS OUR MISSION TO AFFIRMATIVELY PROMOTE, PRESERVE AND DELIVER A FEELING OF SECURITY, SAFETY AND QUALITY SERVICES TO MEMBERS OF OUR COMMUNITY.

UTILIZING ALL MEANS AND RESOURCES WITHIN OUR POWER TO EDUCATE, USE PREVENTION METHODS OR INTERVENE AS NECESSARY, TREATING EACH CITIZEN AS AN INDIVIDUAL WITH PROPER RESPECT.

WE WILL STRIVE TO MAINTAIN A HIGHER STANDARD OF INTEGRITY AND LEAD BY EXAMPLE BECAUSE IT IS EXPECTED OF US.

WE WILL ACCOMPLISH OUR MISSION BY SERVING OUR CITIZENS WITH COMMITMENT, PRIDE AND HONOR.

Our department made some personnel changes during 2014. Lt. Rob Brown left for a job in North Carolina and Elliott Moya was promoted to serve as lieutenant. He does an outstanding job in that capacity and I am pleased to have him as my second in command. Serving as the Chief of Police of two communities has also shown that we needed an additional layer of supervision here so Josh Morneau was

promoted to sergeant. He continues his responsibilities on patrol, but also adds another layer of supervision. Officer Marty Harmon, Officer Warren Day and Officer Isaac Delabruere were all hired in 2014 as well.

We settled a long overdue contract last year and I am in hopes that will create further stability in our department as we try to keep the pay close to surrounding towns. Our officers work hard and take pride in what they do. We should work just as hard to make this a good place for them to be.

Even while shorthanded for part of 2014 we continued to clear our reported crimes at 67% (up from 57% in 2013) which is well above the State of Maine average of 32%. Also of note we handled 17,635 calls for service including 11,500 building checks, 124 Traffic Violation Citations, 1873 warnings, 231 arrests which resulted in 295 charges, 38 arrests for Operating Under the Influence and 123 traffic crashes.

Again, thank you all for your support as we continue to protect our great community. I hope we continue to achieve our goal of keeping Eliot safe. As I have said, I am honored to represent our police officer and I believe in their ability and dedication to our mission.

Respectfully submitted,
Theodor G. Short, Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

As another fiscal year nears a conclusion, it only seems like yesterday that we were sitting before you as residents looking to seek approval for funds to maintain the Town's infrastructure. Each year brings new obstacles and challenges to endure. As the departments move forward to increase efficiency, perform the necessary repairs, and minimize spending, without losing the foresight to the future - which may ultimately cost more money if we do not do our best to keep up with the issues at hand, I would like to thank the Board of Selectmen and the residents of Eliot for their support over the past year.

HIGHWAY DEPARTMENT

The Town endured a winter with snow totals that were above average, with storms ranging in size, type, and duration. For six weeks the Town endured storms with frequencies of every two to three days. If the crew was not plowing snowing, we were moving snow to make room for more. The Town of Eliot continues to have a distinct reputation of having the best maintained roadways in the area during the winter months for which you should be proud. The Department received complements from the Kittery Town Council during a joint collaboration meeting with the Eliot Board of Selectmen for our winter maintenance performance. The onset of extreme cold this winter only increased and signified some of the road maintenance areas that are in extreme need of repair. The Department in conjunction with our counterparts from the Town of South Berwick successfully replaced the Shore's Brook Bridge on Old Field's Road. Utilizing Town forces with engineering and construction experience from both Town's made the project a success. The project was completed on time and under budget. As we enter into the spring/summer months, I have put together another ambitious work schedule for maintenance. Maintenance activities in the Highway Department will include drainage upgrades/improvements, tree maintenance, roadway repairs, guardrail repairs, catch basin cleaning and repairs, as well as paving, etc... I am looking to continue to repair roadways that are in deplorable shape for you as residents. Paving continues to be the largest budgetary item for the Department. The Town has developed a Road Management and Funding Plan for the Towns roadways. The 20-year plan is for maintenance/repairs and re-construction purposes which have a funding mechanism for the purpose of allocating funding for yearly maintenance and re-construction. In previous years the Board of Selectmen, Budget Committee and I had all agreed to bring forth a sum of money that will allow the Department to adequately move forward with significant paving repairs and re-construction of roadways. Being that paving is a large budgetary item, it ultimately sustained cuts as budgets were reduced. The plan, should you as voters chose to support it, would give the Department an opportunity to get to a level of pavement maintenance versus a level of re-construction on a yearly basis. The yearly allocation request of \$500,000 sustains the Town's network of roadways and slow and incrementally keeps the Town at a consistent level of maintenance. Fluctuations in finding below the \$500,000 level will only increase the need for funding in the future.

TRANSFER STATION DEPARTMENT

During the last year, the department developed new programs in an effort to reduce the cost of operations at the transfer station. The Department has successfully implemented two new programs (food waste composting and pay as you throw trash metering programs). The success of both programs has removed an additional 49% of waste from the Towns disposal waste stream which ultimately reduces the operational budget while increasing the overall revenue to the Town. I will continue to evaluate the operation of the Transfer Station. I am continuously looking to increase efficiency and cut costs with the intent of being as level funded as possible to save you as taxpayer's money. My ultimate goal is to operate the Transfer Station on a level funded basis which becomes a \$0.00 budgetary operating facility. Other cost savings mechanisms are the collection of all plastics, which includes those miscellaneous plastic like #3 thru #7. Based on the figures stated, the efficiency in recycling by you as residents has shown a savings in the Transfer Station budget. I would like to thank you for your understanding.

STORMWATER

As many of you are aware the Town has a Municipal Stormwater Permit (MS4) with the Maine Department of Environmental Protection (MeDEP) which is overseen by the United States Environmental Protection Agency (USEPA). That permit requires the Town to perform specific maintenance to its network of stormwater collection systems from ditches, culverts, catch basins, outfalls, etc... Two years ago the Department developed a CIP maintenance plan for the maintenance plan for the upgrade, maintenance, and replacement of the Towns outfalls that were seen as non-compliant after an audit from MeDEP. The Town was at the forefront by requesting the audit to see what violations existed. The audit was then utilized to develop the CIP plan which will help when (not if) the EPA performs a stormwater inspection. Over the past year, it has become mandated that all York County municipalities have an audit by MeDEP for their stormwater systems. Over the past year the Town completed the first of many stormwater projects within the Town. It is critical that the Town continue the investment in its stormwater system to avoid fines for any and all illicit discharges as it relates to the stormwater system.

SEWER DEPARTMENT

The department has successfully completed another rate review study, developed a forward thinking plan for the necessary upgrades and improvements to two of the Towns three sewer pump stations, and continue to perform necessary I/I (inflow/infiltration) work efforts to remove storm water from the sewer waste stream, which costs the Town unnecessary funds to treat at the Kittery Waste Water Treatment Facility. The Department is seeking approval from the residents of Eliot to approve a bond for the necessary improvements/upgrades to two of the Towns sewer pump stations (EPS#1 and EPS#2). The pump stations are operating at 85% **or less** efficiency with critical repairs needed to sustain a clean environmental operation. The pump stations could be considered in a state of imminent failure. Should one of the two pump stations fail and the Town has an illicit discharge into the Piscataqua River or Spinney Creek the Town would face hundreds of thousands of fines from the State and still need the bare the cost of the repairs to the system. The project cost for the improvements and upgrades is estimated at \$1.5 million dollars, which includes some provisions for future needs. As the new IMA (Inter Municipal Agreement) with the Town of Kittery has been implemented, it is imperative that the Towns I/I work continues. The Department, along with Board of Selectmen's approval, has raised the sewer rates to generate a greater fixed revenue stream for the purpose of covering the cost of general maintenance, capital reserves, and capital expenditures for reducing the inflow and infiltration of the system which immediately reduces the overall cost of treatment of the Towns sewer at the Kittery Waste Water Treatment Facility.

In closing, I am both honored and pleased to represent the Town of Eliot and I will do my best to manage and operate my departments with efficiency and cost savings mechanisms to save the residents of Eliot money while maintaining the integrity of the Town's roadways, infrastructure, sewer utilities, and transfer station operations.

Sincerely,

Joel C. Moulton
Public Works Director

TOWN CLERK'S REPORT

Another year has come and gone and here I am submitting my eleventh report as Town Clerk of the amazing town I not only grew up in but am fortunate enough to work for.

As the "information hub" for Eliot's residents and business men and women, the Town Clerk's Office Staff strives to offer the most efficient customer service possible both in the office and by offering online services that will benefit our people.

In January of 2015 the Clerk's Office began accepting VISA, MasterCard, American Express & Discover Credit/Debit Cards for payment. This has proven to be a great addition to the services offered in just the first few months. The Maine PayPort service is provided by InforME, Maine's resource for local eGovernment Solutions. A 2.5% fee (\$1.00 minimum) will be charged and added to the transaction total. The fee charged by Maine Payport covers the bank service charge for the transaction. All fees are shown on the transaction receipt. InforME also provides us with Rapid Renewal, On-line Dog Licensing and On-line Boat Registration Renewals, all on-line services we offer our residents for convenience.

The Clerks' Office continues to utilize email as a communication method to remind our residents of their upcoming motor vehicle registration renewal and dog license renewal. The email address will be utilized only for official notifications from the Town and will not be released for use in any other way. The email reminder system has been popular and helps the town reduce postage costs. If you have not already signed up for this service let us know the next time you are in the office or give us a call @ 439-1817.

The retirement of a two long time staffers at the Eliot Town Office sparked lots of change in the Clerk's Office.

On July 21, 2014 we welcomed Deborahlynn Brock of Eliot to our team, she was hired to fill a vacancy that was created when Pat Levesque retired in April of 2014. Municipal Government was not unfamiliar to Debbie, as she came on board with 13yrs of experience as an Assessing Technician and 5yrs of

experience working in a Public Works Department Office. Even though the area of government is different than what Debbie had done previously, she has settled into the Assistant Clerk position and is proving to be a great addition to the Clerk's Office Team.

On February 4, 2015 Administrative Secretary Barbara Thain retired after twenty-eight dedicated years of employment with the Town of Eliot. Having been hired six months after Barbara in 1987, she was not only a co-worker but also became a great friend as we shared many "milestones of life" during the years we worked together. It was a pleasure to work with Barbara and I wish her nothing but the best in her retirement. With Barbara's departure, Melissa Albert transitioned from Deputy Clerk & General Assistance Administrator to Administrative Secretary & General Assistance Administrator. We will miss Melissa in the Clerk's Office but she is still very much a part of our "team" and just down the hallway. With Melissa's move, we hired yet again and on March 5, 2015 we welcomed Laura Bragg of Lebanon, Maine to our Staff. Laura came to us with 15yrs of experience in Maine Municipal Government in the positions of Town Clerk, Tax Collector, Deputy Registrar of Voters and Public Access Officer. Her extensive Municipal Office experience, status as a Maine Certified Clerk & Tax Collector and friendly personality have made her a valuable addition to our team.

I am truly fortunate and very thankful that I work with such a hardworking, dedicated team. Many thanks to Brenda Harvey, Debbie Brock and Laura Bragg for all that they do to make the day to day operations of the office smooth, efficient and fun. Like they say, a happy office is a productive office!

Respectfully Submitted,
Wendy J. Rawski, Town Clerk

***Only events that occur in the State of Maine are recorded in the Town Clerk's Office. If an event occurs outside the State of Maine and you would like it reported in the annual Town Report, you must notify the Town Clerk of your wish in writing with the exact information to be reported.**

Dog Licenses

The State of Maine requires that all dogs be licensed within the Town that they are kept. To obtain a license for your dog you must show a current rabies vaccination certificate and a certificate of spaying or neutering if it applies to your dog. The Licenses are issued by the calendar year and the license fees are \$11.00 for a male or female and \$6.00 if the dog has been spayed or neutered. A late fee of \$25.00 will be assessed on any dog that is licensed after January 31st. The new licenses arrive from the State and can start being issued for the following year on October 15th, so register early to avoid the late fee. If you would like to receive an email reminder to renew your dog's license please contact the Clerk's Office with your email address and we will add you to the list.

**MOTOR VEHICLE MUNICIPAL AGENT
AND TAX COLLECTOR REPORT
JULY 1, 2013 – JUNE 30, 2014**

Rapid Renewal Registration Service through InforME has been being offered as an online service to the residents of Eliot for almost ten years now. The program that we implemented in June of 2005 has proven to be a great addition to the services offered to our residents with increased use annually. To use this service visit our Municipal website at www.eliotmaine.org and select the hyperlink for Rapid Renewal on the Town Clerk's Motor Vehicle Page. This service is available 24/7 and accepts credit card and electronic check payment for your convenience.

In the Clerk's Office between July 1, 2013 and June 30, 2014 the Clerk's Office processed 6,188 motor vehicle registration transactions.

The following is a breakdown of the registration fees and taxes collected for the motor vehicle transactions processed:

| <u>FEES/TAXES</u> | <u>TOWN</u> | <u>STATE</u> |
|--------------------------------------|-----------------------|-------------------|
| Excise Tax-Office | 1,053,556.00 | |
| Excise Tax-Rapid Renewal | 216,198.98 | |
| Registration Fees | | 219,153.57 |
| Title Fees | | 24,420.00 |
| Municipal Agent Fees | 22,141.00 | |
| Sales Tax | | 725,455.02 |
| Initial Plate Fees | | 8,650.00 |
| Other Fees (specialty plates etc...) | | 19,630.00 |
| Totals | <u>1,291,895.98</u> | <u>997,308.59</u> |
| Grand Total Collected | \$2,289,204.57 | |

Respectfully submitted,

Wendy J. Rawski, Municipal Agent
Brenda L. Harvey, Tax Collector

REPORT OF THE REGISTRAR OF VOTERS

As of June 30, 2014, there were 5,445 registered voters in the Town of Eliot. Of the 5,452 registered voters 2,213 voters did not declare a political party and are considered unenrolled, 1,549 were enrolled in the Democratic Party, 114 were enrolled in the Green Independent Party and 1,576 were enrolled in the Republican Party.

We are always working on the upkeep of the voter registration list however the management is not as easy as it would seem. Laws prohibit the removal of a voter's name without the appropriate documentation necessary to support the removal so we rely heavily on the State Department of Motor Vehicle for their "Motor Voter" notifications that inform us of address changes for residents whether it be a change within town or to a new municipality within Maine. We also receive notification from other States when a resident has moved and completed an application for voter registration in their new place of residency.

Any resident may register to vote at the Town Clerk's Office during normal business hours or on Town Meeting/Election Day. It is required that proof of identity as well as proof of residency be shown at the time of registration.

I would like to take this opportunity to thank the Clerk's Office Staff as well as the many Election Workers I call on for their endless dedication and hard work. The tasks that come with the administration of voter registration and the preparation and execution of Town Meetings and Elections is demanding and the dedication of this group of individuals makes the process easier from start to finish.

Respectfully submitted,

Wendy J. Rawski, Registrar of Voters

Total Votes Cast: 1,167

After the votes were counted and the results announced, it was noted that the Meeting would continue on the following Saturday, June 14, 2014 at 9:00AM in the morning at Marshwood Middle School, located at the corner of Route 236 & Depot Road, Eliot, Maine to then and there take up Articles Seven through Forty.

The meeting resumed at 9:04AM in the morning on June 14th, 2014 with the opening ceremonies.

The Eliot Fire Department Color Guard posted the colors and the Pledge of Allegiance was led by 1st Lt. Jason Cullen. Moderator Dennett then asked the assembly to join him in a moment of silence. Jack Mercer & Dana Norton of the American Legion Post #188 presented the Fabyan R. Drake Award to Kimberly Ann Richards. Roberta Beavers, Representative to the Legislature, District #148 presented Ms. Richards with a Sentiment from the State of Maine for her outstanding citizenship.

Moderator Dennett then recognized Board of Selectmen Chairman, Michael Moynahan who spoke about the Boston Post Cane tradition and noted the recent passing of Elizabeth C. Libbey on June 4th, 2014 at 106 years of age. Mrs. Libbey was first honored as the eldest citizen of Eliot in June of 2009. The process of identifying the next recipient of the cane will begin so that we may announce the honoree at the 2015 Annual Town Meeting. Chairman Moynahan acknowledged the recent retirement of Patricia Levesque and thanked her for her years of dedicated service as Tax Collector and Deputy Town Clerk and outgoing Selectmen LeRoy Dunkelberger was recognized for his time serving on the Board of Selectmen.

After all opening ceremonies concluded, Moderator J. Peter Dennett called the business meeting to order at 9:26AM.

The Moderator then went over meeting procedures as guided by the 2005 Edition of the Maine Moderators Manual (Sixth Edition).

The Moderator then asked for a two thirds majority vote to allow all non-residents to speak on articles as necessary. The two thirds majority was received and permission to speak was given.

9:26AM - Business Meeting Action

Article Seven – The Town **voted to** set the days of November 17, 2014 and May 18, 2015 as the dates that taxes are due and payable, ½ of the taxes being due on each date.

Article Eight – The Town **voted to** fix 7% as the rate of interest charged on taxes after the due and payable date.

Article Nine – The Town **voted to** authorize the Board of Selectmen to set an interest rate to be paid on abated taxes for fiscal year 2014-2015.

Article Ten – The Town **voted to** authorize the Tax Collector to accept prepayments of taxes not yet committed, pursuant to 36 MRSA Section 506.

Article Eleven – The Town **voted to** authorize the Municipal Officers to spend an amount not to exceed 1/12 of the appropriated amount of the 2014-2015 annual budget during the period from July 1, 2015 to the 2015 Annual Town meeting.

Article Twelve – The Town **voted to** authorize the Selectmen to dispose of Town-owned personal property under such terms and conditions as they deem to be in the best interest of the Town.

Article Thirteen – The Town **voted to** authorize the Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms, as they deem advisable and to execute quitclaim deeds for such property. The Selectmen must first request the advice of the Conservation Commission.

Article Fourteen – The Town **voted to** authorize the Selectmen to receive insurance and/or other property damage restitution funds and to expend said receipts for materials and labor to correct said damages without further appropriations.

Article Fifteen – The Town **voted to** authorize the Selectmen to accept and appropriate or reject any and all funds from grants, donations, and reimbursements during the year for any Municipal Department, Committee, Commission and/or project, to include but not limited to reimbursements from F.E.M.A. for any State declared emergencies, Community Development Block Grants, donations for the parks, and capital or program grants for Community Service Department.

Article Sixteen – **As required by State Law, the Town voted by written ballot** to see if the Town will vote to exceed the property tax levy limit estimated at \$2,978,098 established for Eliot by State Law in the event that the municipal budget approved under the preceding and following articles will result in a tax commitment that is greater than that property tax levy limit or any other property

tax limit established as a result of 30-A MRSA Section 5721-A Limitation on Municipal Property Tax Levy. The final limit can only be calculated in December. Note: If the articles are voted as Selectmen recommended them, the estimated override amount will be \$214,221.

The results of the written ballot were as follows: Yes – 91 No - 87

Point of Order recognized by Moderator Dennett:

A motion was made and seconded to limit those engaging in debate on all pending articles or all motions be limited to two minutes per speaker and the speaker should not be recognized again until all others have had a turn to speak. Not hearing any opposition, the moderator deemed that by consensus two thirds were in favor so the motion carries and debate is limited.

Article Seventeen – The Town **voted to appropriate and transfer \$40,000** from the established tax increment financing account and allow the Board of Selectmen to expend as needed.

Article Eighteen – The Town **voted to apply** the following 2014/2015 Estimated Revenues to reduce the amount to be raised by taxation (fiscal year is July 1, 2014 to June 30, 2015).

STATE OF MAINE

TO: Patricia A. Levesque, Resident, Town of Eliot ss YORK

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Eliot, County of York, qualified by law to vote in Town affairs, to meet at Marshwood Middle School (at the corner of Route 236 and Depot Road), Eliot, Maine, on Tuesday June 9, 2015 at 8:00 AM then and there to act on Articles First through Seventh.

NOTE: Please use the Depot Road entrance to the Parking Lot.

The polls for voting will open at 8:00 A.M and close at 8:00 P.M. Pursuant to Title 21-A, Section 759(7) absentee ballots will be processed at the polling place from 9:00 AM – 8:00 PM on the hour as needed at Annual Town Meeting Election.

The Town will provide any reasonable accommodations for any disabled resident to attend this Town Meeting. Please notify the Town Manager at the Town Office of the need. This is in accordance with the ADA Law.

And, to notify and warn said inhabitants to meet at Marshwood Middle School (at the corner of Route 236 and Depot Road), Eliot, Maine, on Saturday, June 13, 2015 at 9:00 A.M., then and there to act on Articles Eighth through Fortieth as set out below, to wit:

FIRST - To elect a Moderator to preside at said meeting.

SECOND – To elect namely: Two Selectmen and Overseers of the Poor for a term of three years; one member of SAD No. 35 Board of Directors for a term of three years; one member of the Budget Committee for a term of one year and three members of the Budget Committee for a term of three years.

**ARTICLE THIRD AND FOURTH ARE COMPETING MEASURES;
WE RECOMMEND THAT YOU READ BOTH ARTICLES BEFORE VOTING ON EITHER**

THIRD - Citizen Initiative

- A) Shall the Town change the method and time of a vote on the property tax levy limit as established by 30-A MRS Section 5721 – A limitation on Municipal Property Tax Levy [LD1]?

The method and time is to be changed from a written ballot on the floor of the Annual Town meeting to a referendum ballot on the Annual Town Meeting Election Day.

- B) Shall the Town change the method and time of a vote for the Annual Town Budget?

The method and time for residents to vote on the Annual Town Budget is to be changed from voting by a show of hands at the Annual Town Meeting to a referendum ballot on the Annual Town Meeting Election Day.

Each budget item on the referendum ballot shall include:

- The recommendation of the Selectmen/Board and their vote numbers.
- The recommendation of the Budget Committee and their vote numbers.
- Any differing recommendation(s) of the town's citizens as voted at a Town Budget Meeting which is to be held in sufficient time for the Town Clerk to have printed on the referendum ballot.

FOURTH - Shall an ordinance entitled "Town Meeting Referendum Ordinance" be enacted to replace the Open Town Meeting form of legislative and budgetary approval with a secret ballot voting method?

A complete copy of the text is available for review at the Town Hall.

FIFTH - Shall the Town (1) approve the design, construction and equipping of two sewer pump stations (the "Project"); (2) appropriate a sum not to exceed \$1,500,000 for the costs of this project; and (3) to fund this appropriation and authorize the Treasurer and the Chairman of the Board of Selectmen to issue, at one time or from time to time, general and/or revenue obligation securities or of the Town of Eliot, Maine, including temporary notes in anticipation of the sale thereof and refunding obligations, in an aggregate principal amount not to exceed \$1,500,000 and to delegate to the Treasurer and Chairman of the Board of Selectmen the authority and discretion to fix the date(s), maturity(ies), denomination(s), interest rate(s), place(s) of payment, call(s) for redemption, current or advance refunding(s) of the securities, form(s), and other details of said securities, including execution and delivery of said securities against payment therefore and to provide for the sale thereof.

FINANCIAL STATEMENT

Total Town Indebtedness:

| | |
|--|--------------------|
| A. Bonds outstanding and unpaid | \$ 131,512 |
| B. Bonds authorized and unissued: | \$ 0 |
| C. Bonds to be issued if this Article is approved: | \$1,500,000 |
| Total | \$1,631,512 |

Costs:

At an estimated interest rate of 3.0% for an estimated 20-year maturity, the estimated costs of this bond issue will be:

| | |
|----------------------------|---------------------|
| Principal: | \$ 1,500,000 |
| Interest: | \$ 160,275 |
| Total Debt Service: | \$ 1,660,275 |

Validity: The validity of the bonds and the voters' ratification of the bonds may not be affected by any errors in the above estimates. If the actual amount of the total debt service for the bond issue varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

S/ _____, Town Treasurer

Statement of Fact: While this bond is required by law to be a general obligation of the Town, it is also intended that the annual debt service for the bond be paid for in part by the Town (45%) and in part by sewer user fees (55%). Please see Article 36 hereof which includes an appropriation for 45% of the estimated first year debt service on this bond. The cost in new taxes for a non-sewer property (45%) assessed at \$250,000 would be approximately \$10.37 annually. The cost to sewer users (55%) would be the above tax as well as approximately \$75 annually in increased sewer charges.

THE SELECTMEN RECOMMEND APPROVAL

THE BUDGET COMMITTEE DOES NOT RECOMMEND APPROVAL

SIXTH (A) - Shall an ordinance entitled "Amendments to Chapter 29, Growth Management, and Chapter 1, General Provisions, of the Municipal Code of Ordinances of the Town of Eliot, Maine, to require the annual review of the rate of residential housebuilding and allow for greater citizen control over the number of growth permits allocated annually for new residential dwelling units." dated June 9, 2015 be enacted?

STATEMENT OF FACT: If this article fails, there will be 16 growth permits allocated for the construction of new dwelling units in calendar year 2015.

A complete copy of the text is available for review at the Town Hall.

THE SELECTMEN RECOMMEND APPROVAL

SIXTH (B) – If the Town accepts the immediately preceding article (Amendments to the Growth Management ordinance), shall the Town allocate a maximum of 30 growth permits for the construction of new dwelling units in calendar year 2015, and shall the Town allocate a maximum of 30 growth permits for the construction of new dwelling units in calendar year 2016?

STATEMENT OF FACT: If this article fails, there will be 16 growth permits allocated for the construction of new dwelling units in calendar year 2015, and also 16 growth permits allocated in 2016.

THE SELECTMEN RECOMMEND APPROVAL

SEVENTH - Shall an ordinance entitled "Amendments to Chapter 16, Waste Recycling and Disposal, of the Municipal Code of Ordinances of the Town of Eliot, Maine, to update waste disposal provisions," dated June 9, 2015 be enacted?

A complete copy of the text is available for review at the Town Hall.

THE SELECTMEN RECOMMEND APPROVAL

EIGHTH - To see if the Town will vote to set the days of November 13, 2015, for the first half of property taxes, and May 13, 2016 for the second half of property taxes, as the days after which interest will be charged on all unpaid property taxes; such taxes being due and payable immediately upon receipt of the mailed tax bill.

NINTH - To see if the Town will vote to fix 7% as the rate of interest charged on taxes after the above November 15, 2015 and May 15, 2016 dates.

TENTH - To see if the Town will vote to authorize the Board of Selectmen to set an interest rate of 3.0% to be paid on abated taxes for fiscal year 2015-2016.

ELEVENTH - To see if the Town will authorize the Tax Collector to accept prepayments of taxes not yet committed, pursuant to 36 MRSA Section 506.

- No interest is to be paid on such prepayments.

TWELFTH - To see if the Town will vote to authorize the Municipal Officers to spend, from the Unassigned Fund Balance, an amount per month not to exceed 1/12 of the appropriated amount of the 2015-2016 annual budget during the period from July 1, 2016 to the 2016 Annual Town meeting, in the event the 2016 Annual Town Meeting is required to be postponed or in the event there is no approved budget as of July 1, 2016.

THIRTEENTH - To see if the Town will vote to authorize the Selectmen to dispose of Town-owned personal property under such terms and conditions as they deem to be in the best interest of the Town.

FOURTEENTH - To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and to execute quitclaim deeds for such property. The Selectmen must first request and consider the advice of the Conservation Commission concerning the desirability of retaining the real estate as Town property.

FIFTEENTH - To see if the Town will vote to authorize the Selectmen to receive insurance and/or other property damage restitution funds and to expend said receipts for materials and labor to correct said damages without further appropriations.

SIXTEENTH - To see if the Town will vote to authorize the Selectmen to accept and appropriate or reject any and all funds from grants, donations, and reimbursements during the year for any Municipal Department, Committee, Commission and/or project, to include but not limited to reimbursements from F.E.M.A. for any State declared emergencies, Community Development Block Grants, donations for the parks, and capital or program grants for Community Service Department.

SEVENTEENTH - To see if the Town will vote to increase the property tax levy limit estimated at \$3,136,798 established for Eliot by State Law in the event that the municipal budget approved under the preceding and following articles will result in a tax commitment that is greater than that property tax levy limit or any other property tax limit established as a result of 30-A MRSA Section 5721-A Limitation on Municipal Property Tax Levy. The final limit cannot be calculated until in December.

Note: This article has to be voted by written ballot. If the articles are voted as Selectmen recommended them, the estimated override amount will be \$255,228.

Note: Last year the Town opted to exceed the LD 1 limit (a one year exception). The new tax need over what was actually raised is \$136,634. To "increase" the property tax levy limit is to permanently re-set the baseline tax levy amount.
