### Communication / Participation Process

Once you are accepted into the meeting by the host you will be muted until the Chairman of the Committee, and any Official Meeting Participants have ended their discussion on each agenda item. At this time, you along with any other call-in participants will be unmuted one by one in the order that you joined the meeting, asked to identify yourself and allowed the opportunity to ask questions or make comment. Once each caller has made comment / inquiry they will be muted again and the next caller will be opened for comment and so on. We do ask that you disconnect the call if you have no further comment. Any new callers or callers who still remain after each agenda item will again be called upon in the order the call was received. Thank you in advance for your patience and understanding, this is our first meeting of this type and we will do our very best to accommodate everyone's right to participate.
