

THE ELIOT GARDEN CLUB

April 12, 2018

PROGRAM: *Spatial Design - Form and Function with Guest Speaker Penny O'Sullivan*

Join us for an exciting program, which explores how successful landscapes can create positive physical and emotional connections between designed spaces and the people using them. Penny will discuss how landscapes can respect people's needs, stimulate their senses and show conscious understanding of how mass and space relate.

SPEAKER: *Penny O'Sullivan is an author, designer, Master Gardener and woody plant lover, who turned her suburban property into a mini-arboretum. Her gardening experiences inspired her to write several gardening books and she is the editor of Coastal Home, a regional home, garden and lifestyle magazine based in Portsmouth, NH. Penny is also a field editor for Better Homes and Gardens Special Interest Media and writes for national magazines including **Country Gardens**, **The American Gardener** and **Organic Gardening**. She belongs to the Garden Writers Association and is a trustee of the Wiggins Memorial Library in Stratham, NH.*

Books by Penny O'Sullivan: *"The Homeowner's Complete Tree & Shrub Handbook", "The Essential Guide to Choosing, Planting and Maintaining Perfect Landscape Plants" and "The Pruning Answer Book: Solutions to Every Problem You'll Ever Face; Answers to Every Question You'll Ever Ask"*
