

THE ELIOT GARDEN CLUB

October 11, 2018

PROGRAM: *Preparing for spring! Expert advice on putting your garden to bed for winter*

Properly closing down this year's garden will result in one thing: a successful spring planting season that surpasses previous years! Former commercial grower Vince Cirasole will provide a framework for this, beginning with an overview of work required in all sections of the garden; annual and perennial flowers, bulbs, roses, vegetables, herbs and berries. You will come away with tried and true principles, processes and techniques that will support next year's gardens!

To find out more about the Eliot Garden Club; our many community projects, other wonderful programs we offer and how to become a Member, please join us on Thursday, October 11th, at 12:45PM in the First Congregational Church of Eliot Meeting Hall, Eliot, ME. If you have any questions, please feel free to contact us at:
