B. Chair Update
1. The Chair reported on the AARP Age Friendly After-Action Report which evaluated Eliot AIP’s three- year Action Plan outcomes. It was accepted by the Lifelong Communities of Maine and posted on the Eliot Town website. Eliot AIP is one of the 100 Age Friendly Communities in Maine. In addition to being posted on the Eliot Town website it can also be found on the website; www.lifelongmaine.com.

2. A plaque was sent from AARP honoring the Eliot AIP Committee. Town Manager Mike Sullivan expressed his desire to acknowledge Eliot AIP at the June 22, 2023 meeting of the Select Board. Ellen extended Mike’s invitation to the complete AIP committee to attend the 5:30 PM Select Board meeting.
3. **Chair Yoga.** The chair suggested that since this activity was well received in May, and it fits well with our efforts in the Social Isolation Domain, that AIP consider conferring with Rochelle from Yoga-In -Action to determine if we could establish a program at Town Hall or Baran Place. Maureen Clark moved that we approve Town Hall, Karen Tomanio seconded the motion. It was approved unanimously.

4. Ellen announced that Eliot AIP is one of the 100 Age Friendly Communities in Maine. Our Age Friendly After-Action report is included on the website; [www.lifelongmaine.com](http://www.lifelongmaine.com).

5. **Communication.** The Chair asked for suggestions for articles to be included in the June/July newsletter. Nedra said she’d submit an article with pictures of the completed Dead Duck Project and wondered if a public dedication might be an effective way to gain more public exposure. No decision was made.

Ellen will report on the Quick Action Grant for Memory Games. She also offered to submit an article about an Inservice Program for Police Chief Elliot Mayo and his officers to discuss communication with families and patients about issues surrounding dementia. The program would be called Dementia Inclusive.

During our discussion of the Newsletter Karen suggested looking into a support group for dementia sufferers and their caregivers. She mentioned a Memory Café where Memory Kits could be available.

Melissa is working on increasing the font size in the newsletter, online and in print. She also asked for committee input on articles for Social Media, primarily Facebook to keep our efforts visible in the online community.

Ellen suggested we publicize a vacancy on the committee along with the recommendation that interested parties attend one of our meetings.

6. **Location for Dementia Materials.** The chair spoke with Karen Ordway, Director of the Library who informed her that the Library Trustees would have to decide if the Library would be willing to host the materials. Their next scheduled meeting is in September, 2023. Karen will put the Chair’s request on their agenda. Meanwhile Sandy Burkett of Baran Place offered to host the Memory Care materials at their facility. The chair reported there are 38 Libraries in Maine that are offering Memory Care materials. She also suggested a $75 line item for replacement of Memory Care.
