

Annual Growth Rate Survey

Section 29-5 of Eliot's ordinances requires the Town to gather input from Departments to aid the Planning Board in determining the maximum number of growth permits per calendar year.

Please return your responses to me either via email (landuse@eliotme.org) or drop off a completed hard copy with Kearsten Metz at the Town Office. Thank you for taking the time to provide your feedback.

1. The above chart indicates the number of new permitted dwelling units from 2012 to 2022. Over the last ten years do you recall any year(s) in which the rate of new construction significantly impacted or outpaced your department's ability to provide the necessary services and facilities to accommodate the increase in population? Yes No
 - a. If yes, please provide the years and describe any significant impacts to your department:

2. In 2023, do you believe your department could reasonably handle the impacts of 27 new dwelling units without a decrease of service quality? Yes No
 - a. If no, please describe what measurable/notable impacts will be attributed to your department with 27 new dwelling units:

3. In 2023, do you believe your department could reasonably handle the impacts of 60 new dwelling units without a decrease of service quality? Yes No
 - a. If no, please describe what measurable/notable impacts will be attributed to your department with 60 new dwelling units:

Would likely need an additional staff member in Planning/Cade.

4. In 2023, do you believe your department could reasonably handle the impacts of 90 new dwelling units without a decrease of service quality? Yes No
- a. If no, please describe what measurable/notable impacts will be attributed to your department with 90 new dwelling units:

5. Considering the above questions, does the type of housing (single family; elderly; affordable) have any effect on the answers provided? For example, if 60 new dwelling units were to be constructed, would the impact(s) to your department be different if all the units were elderly housing versus single family housing?

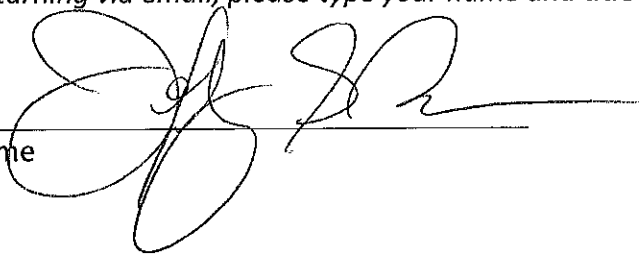

No.

6. Please provide your additional comments about Eliot's growth management program:

Given recent housing price increases, ability of the region's work force to afford a home in Eliot is becoming an increasing concern.
