## Planning Board Submission Deadlines

Please find below the recently updated submission deadlines. Any materials submitted for Planning Board review are due in the Planning Office at least one month before the Planning Board's meeting, following the schedule shown below. The Planning Board's meeting agendas will be available approximately a week before the meeting. (The Planning Board meets on the first and third Tuesdays of the month, and generally reserves the first meeting of each month for administrative duties). Applications and other public records submitted to the Planning Board may be viewed by any member of the public, by visiting the Planning Office during normal business hours. You may also visit our website at [www.eliotmaine.org](http://www.eliotmaine.org) for meeting information and applicable forms.
